a. This increase in the cost of management arises from the exhibition, for the first time, as a charge against the Money Order System, of the salaries of Clerks in City Post Offices, engaged exclusively in Money Order duties; also, from the preliminary expenses incurred in organizing Money Order Exchange with a number of additional Countries, as stated in the Report for the year ended 30th June, 1883.

b. Including the amount of the "Void" Orders of all previous years. Henceforward the "Void" Orders are brought to account each year in this column.

c. Including payment for services partly chargeable to preceding year.

* Under the recently introduced system of accounts, these items can no longer be given separately.
