

me, extending northward
to Grave Point, as shown
in the sketch forwarded
to you in a letter of the
28th ultimo from this
Department.

(2) As respects the claim
of the Indians to be allowed
to fish everywhere in Lake
Minneapolis, and you remark
that, if such fishing be permitted
them, it should be subject
to the same fees and regul-
ations as are imposed on
whitemen and halfbreeds:
I beg to inform you that
when the treaties were
made with the Indians
of the North West, for a
surrender of their rights
in
