My dear Mr. King:-

Returning home on the 23rd instant from a four months' leave, I find a copy of the Toronto Globe containing an announcement of your appointment as Minister of Labor.

You are well acquainted with the duties of this place, and of course appreciate all the difficult and perplexing duties which you will be called upon to deal with.

I sincerely congratulate you upon the high honor which has come to you, and at the same time bespeak a successful administration of your Department's affairs.

With best wishes, I am,  
Sincerely yours,  
Hon. MacKenzie King,  
Ottawa, Canada.
