W. Lyon Mackenzie King, Esq.
Industrial Relations Division,
Rockefeller Foundation,
26 Broadway, New York.

Dear Sir:-

In carrying out investigation work on labor conditions the difficulty of finding men with a practical and theoretical knowledge must have become apparent to you.

During the last few years I have had a thorough practical training in dealing with labor in the vicinity of New York and should be pleased to have the opportunity of offering my services to you in research work on labor conditions. May I have the pleasure of calling to see you at your convenience.

Yours truly.

J. D. Hackett.
