Dodd's Kidney Pills Soon Drove Away Rheumatism and Dropsy

Case of a Windsor Man Who Suffered Two Years Before he Discovered the Right Remedy.

Windsor, Ont., Jan. 30.—(Special)—
How quickly Rheumatism and Dropsy
can be cured when the right medicine
is used is shown in the case of Mr.
John McDonald, a retired farmer
living at 130 Langlois Avenue here.
Mr. McDonald says:
"For two years I was troubled
with Rheumatism and Dropsy. My
legs were terribly swollen, and
though I tired many medicines nothing gave me any relief till I tried
Dodd's Kidney Pills. Two boxes of
them cured me so completely that I
have had no return of the diseases in
years."

Rheumatism and Dropsy are caused by the poisons disordered Kidneys fail to strain out of the blood, Cure the Kidneys with Dodd's Kidney Pills and the cured Kidneys will remove the cause of the Rheumatism or Dropsy. Without cause there can be no disease.

Got Her Name Wrong. "The trouble with you," the doctor said after examining the young man, escems to be that something is the matter with your heart."
"With my heart?"

"Yes. To give it a name, it is angina pectoris,"
"Guess again, doc," said the young minn. "That isn't her name at all."

The readers of this paper will be pleased to learn that that there is at least one dreaded disease that science has been able to cure in all its staghas been able to cure in all its stag-es, and that is Catarrh. Hall's Ca-tarrh Cure is the only positive cure now known to the medical fratern-ity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is treatment. Hall's Catarrh Oure is taken internally, acting directly upin the mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

HAVE YOU HEARTBURN!

HAVE YOU HEARTBURN!

It's quite common with people whose digestion is poor. Immediate relief follows the use of Nerviline. Stomach is strengthened, digestion is made perfect, lasting cure results in every case. Use Poison's Nerviline once and you'll never be without it because every type of stomach disorder is conquered by a few doses. One 25c, bottle of Nerviline always convinces. Sold everywhere for the past fifty years.

HOW TO GET CONSUMPTION.

Ninety per cent. of the "lungers" contract consumption by allowing power of resistance to fall so low that a favorable condition for the development of the bacolli is provided in a healthy system consumption can't take root. But where there is weakness and debility, there you find tuberculosis. For developing strength and building up the weak, nothing equals Ferrozone. It makes the blood nutritious and the nerves enduris The way it converts food into the man, the appetite it gives is su rising. Just what the man verging on consumption needs,—that's Ferrozone. If tired and weak don't put off. Fifty cents huys a box of fifty tablets—at all dealers.

We trust that somehow good will be the final goal of ill.

BLOWING OUT A CANDLE.

The Effect a Puff of Breath Has on the Flame.

A burning candle is a gas manufactery on a small scale. The wax or tallow is converted by the heat of the fiame into gas, and in that form en-ters into chemical combination with the oxygen of the surrounding air.

This chemical union causes a very high rise in temperature in the ele-ments concerned. In fact, it produces what we know as fiame of fire, which is simply the white hot molecules of carbon and oxygen. The gas making process is stated by the match in lighting the candle and is afterward continued by the flame itself.

Our breath acts in three way: (1) It Our breath acts in three way: (1) It carries away the particles of gas bodily. (2) It lowers their temperature at the same time, so that they are no longer capable of entering into chemical union with the oxygen. (3) The breath contains carbonic acid gas, which is incapable of supporting comparition, and so below to extinguish the bustion and so helps to extinguish the

SIR JAMES WATSON'S OPINION.

He says that the commonest of all disorders, and one from which few escape is Catarrh. Sir James firmly believes in local treatment, which is best supplied by "Catarrhozone." No case of Catarrh can exist where Catarrhozone is used; it is a miracle worker, relieves almost instantly and cures after other remedies fail. Other treatments can't reach the diseased parts like Catarrhozone because it goes to the source of the the diseased parts like Catarrhozone because it goes to the source of the trouble along with the air you breathe. Catarrhozone is free from cocaine, it leaves no bad after-effects, it is simply nature's own cure. Accept no substitute for Catarrhozone which alone can cure Catarrhozone which alone can cure Catarrhozone

Goodness thinks no ill where no ill

Goodness thinks no ill where no in seems.

When a boy turns his bulging pocket inside out we marvel at the quantity and variety of articles he has stowed away. Odd lengths of string, marbels, a horse-chestnut, a top, brass nails, hickory-nuts, an apple, and many more articles are garnered by this "snapper-up of unconsidered triffes." We think the collection must be hard on a boy's pocket. And it is. But do we ever think of the variety and miscellany of the substances we put into the pocket of oar stomach? There's the apple and the nuts, and things besides quite as indigestible as brass nails and with no more food value than so many marbles. And yet we wonder that the stomach breaks down under the stomach of carelese eating and irregular meals it can be perfectly and permanently restored to health and atrength by the use of Doctor Pierce's Golden Medical Discovery. The action of this medicine on the stomach and other organs of digestion and nutrition is so marked, that relief from disease is at once experienced, and the headaches, liver "troubles," kidney disorders, skin eruptions and other sumptoms of a diseased stomach are quickly dured. Whenever the use of a laxative medicine is indicated, use Dr. Pierce's Pleasant Pellets. They act in harmory with the "Discovery" and assist its action by purging the bowels of fool accumulations.
