

THE
Muskoka & Nipissing Navigation Co'y

Have at present a fleet of seven Steamers plying daily during the season of navigation upon Lakes

MUSKOKA, ROSSEAU,
 JOSEPH AND TRIBUTARIES,
 NIPISSING AND TRIBUTARIES.

A projected Line of Steamers to ply upon
 LAKES AHMIC,
 SESEBE, AND
 MAGANETAWAN RIVER,

Between Burk's Falls, Maganetawan Ridge, Ahmic Harbor and intermediate places, will also in the near future be embraced in the navigation system of this Company.

The regions traversed by the Boats of this Company are not surpassed in any country for natural beauty and variety of lake, island and river scenery; while at the same time they combine genuine attractions for the most fastidious tourists, the angler and the sportsman, both in point of excellent hotel accommodation on the route, facilities for camping out, variety of fish and game, and safety for outings in small boats.

Among the varieties of game are the moose and common deer, wild geese, ducks, partridges, hare, etc. Of fish there are salmon trout, speckled trout, maskinonge, pike, bass, pickerel, sturgeon, white fish, etc.

Freight and Live Stock carried at Low Rates: ordinary Passenger Rates, and Excursion Rates extremely Low.
