2. Any person may have a deposit account, and may deposit nearly any number of dollars, from \$1 up to \$300, or more, with the permission of the Postmaster General.

3. Deposits may be made by married women, and deposits so made, or made by women who shall afterwards marry, will be repaid to any such women.

5. A depositor in any of the Savings Bank Post Offices may continue his deposits at any other of such offices without notice or change of Pass Book, and can withdraw money at that Savings Bank Office which is most convenient to him. For instance, if he makes his first deposit at the Savings Bank at Cobourg, he may make further deposits at, or withdraw his money through, the Post Office Bank at Collingwood or Quebec, Sarnia, Brockville, or any place which may be convenient to him, whether he continue to reside at Cobourg or remove to some other place.

6. Each depositor is supplied with a Pass Book, which is to be produced to the Postmaster every time the depositor pays in or withdraws money, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same.

SEPTEMBER.—The low price of wool during last year has been a common cause of complaint. Yet we hope that the fact stated will not tempt our farmers to neglect sheep breeding, on the supposition that it will not pay. Mutton production is of importance, and on the lower prices of wool we trust it may take its due prominence. There will always be a demand for wool, and as to the choice of breeds and qualities, in all cases the best pays the best. The sensible farmer will choose that kind of sheep which will give the most and best wool, and the highest quality of mutton. Sure and prolific breeding will also be considered. Let pure blood be infused into the flock. In short, breed the best of everything. Scraggy sheep and race-horse hogs ought to be abolished.
