"The Serge of the Serges"

In the first place "Blunoz" serge is not made in Nova Scotia.

In the second place, it is not all a blue serge, for it is a freely woven Australian wool serge in both the navy blue and black colors. You have a choice of either.

To be sure they call the Nova Scotians "Blunos"—but that is not the derivative of "Blunoz" serge.

Only two woollen mills in Canada can make the "Blunoz" Serge—and the Semi-ready Company control and absorb in their tailor shops the entire output.

This is the Canadian Serge which has made the British mills "sit up," and it is the Standard cloth by which the Government judge the tariff needs of this particular Canadian industry.

Semi-ready "Blunoz" Suits, now \$20, will cost \$24 after January 1st, 1908.
