Quick and Quiet Work Cards

IN ARITHMETIC AND GEOGRAPHY.

(NO TWO CARDS ALIKE.)

PACKAGE No. 1, containing 25 cards.—For use in First Book Classes, containing in all 189 original and interesting problems, with map of the world in outline, illustrating geographical definitions.

PACKAGE No. 2, containing 25 cards.—For use in Second Book Classes, with 173 original and interesting problems; with Map of North America.

PACKAGE No. 3, containing 25 cards.—For use in Third Book Classes, with 218 original and interesting problems; with list of chief cities, rivers, bays, etc., for location on outline Map of Dominion.

PACKAGE No. 4, containing 25 cards.—For use in Fourth Book Classes, with 217 original and interesting problems; with Map of Europe.

These cards will be found suitable for both desk and home work; are invaluable in ungraded schools, as they save time, labor and blackboard space. Individual work can be done by each pupil. By their use errors will be saved in taking down work during school hours, and the straining of the eyes in copying from the blackboard.

PRICE 25c. PER PACKAGE. For sale by all booksellers, or sent postpaid upon receipt of price.
