

AMBEROL RECORDS for The EDISON PHONOGRAPH

"One touch of melody
makes the whole world kin"

Mr. Edison has produced in the Amberol Record a Phonograph Record that plays twice as long as the regular Edison Record

This has not been done by making the Record larger or longer, but by engraving more than twice as many lines to the inch as on the regular Record. Thus Amberol Records can be used in the standard sizes of Edison Phonographs by the addition of a simple attachment or gear.

Edison Amberol Records not only play longer than any other Record now made, but they play better, their tone quality being richer, clearer and more delicate than has been possible in the past.

To Play Amberol Records on Your Present Phonograph requires an attachment comprising a change gear and a new reproducer. Your dealer has this attachment, will put one on your Phonograph at a moderate cost, and will explain it to you.

We will be glad to send to anyone, however, a booklet describing the new attachment, describing the Amberol Records, giving a list of the music now available on these Records and giving all the other information necessary to make it possible for you to get more than twice as much enjoyment out of your Edison Phonograph as you are now getting.

We Desire Good, Live Dealers to sell Edison Phonographs in every town where we are not now well represented. Dealers having established stores should write at once to

Do you dread the long winter?

There is one cheerful thing about it. You can have the Victor-Berliner Gram-o-phone and make the long evenings at home merry and glad with the splendid voices of the great opera singers

and the popular songs and stories of those who devote their lives to making music and entertainment. The great Bands of the world, the Negro Quartettes, the Violin, the 'Cello, the Banjo—all these too may be brought right into your own home by the Victor-Berliner for your pleasure at a very trifling cost. But there isn't much use of talking—you can't really believe what we are saying until you go to a dealer and ask him to put on one of these wonderful Records for you,—then the real meaning of what we have been saying will dawn upon you, and you will want a Victor-Berliner at once. Write us for free catalogue of the New "Double Side" Records. Price 90c., making the records 45c. each.
