

FARMERS!

DO YOU COUNT
YOUR CHANGE?

WHY
YOU NEED
A

FAIRBANKS SCALE

WOULD YOU GIVE A HANDFUL OF MONEY and guess you had paid the right amount? Yet, by guessing the weight of your stock and produce you may lose enough money every year to pay for a good scale. Do your weighing as you do your paying, and be sure you are right. Does your grocer give you a scoop full of sugar and guess at the weight? Hardly. He carefully weighs everything you buy from him. Employ the same methods of economy when selling your products. Know the weight of your produce, and get pay for all you raise.

Have reliable **FAIRBANKS SCALES** to protect and save money for you, and help you get ahead. They will last an average lifetime, and be as reliable and accurate the last day as when they were bought. We can refer you to many Fairbanks Scales put in over sixty years ago, which, while weatherbeaten and old-looking, are still accurate and giving good service. Cut out complete advertisement and send for Scale Catalogue.

TO EARN THE BIG SALARY LEARN RAILROADING.

There is no line of work to-day that pays the princely salaries as does that of Railroading. Mechanics and tradesmen, office and store clerks, street-railway men, etc., spend years in learning and training, only to find that they have entered overcrowded trades and lines, and are therefore compelled to accept small wages. Not so with Railroading.

FIREMEN AND BRAKEMEN
Earn from \$75 to
\$150 per month.

With the rapid progress of Railway building in Canada, it takes only from 2 to 3 years to be advanced to Engineer or Conductor, whose salaries are from \$90 to \$185 per month.

You can earn that money.
We can start you for it.

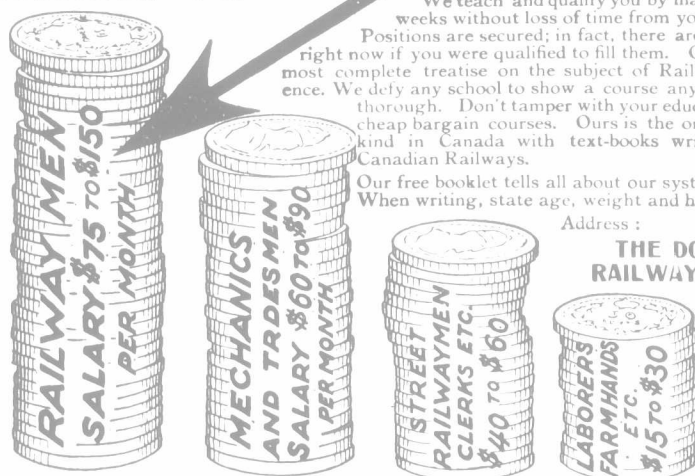

We teach and qualify you by mail in from 8 to 14 weeks without loss of time from your present work. Positions are secured; in fact, there are many openings right now if you were qualified to fill them. Our Course is the most complete treatise on the subject of Railroading in existence. We defy any school to show a course anywhere nearly as thorough. Don't tamper with your education by buying cheap bargain courses. Ours is the only School of its kind in Canada with text-books written for use on Canadian Railways.

Our free booklet tells all about our system of teaching. When writing, state age, weight and height.
