leposited had ignited The whole mass, several eet below the surface, is now on fire, and has een for several months, causing a settling BISHOP JANES MOBBED IN TEXAS .- The that part near the river. Very little smoke emitted from the subterraneous combustion, be BISHOP JANES MOBBLE IN inhabitants of Fannin county, Texas, have undertaken to expel the clergymen of the the surface is very hot, and in many places cracked with fissures. The fact that this fire has Episcopal Church, North, who preach in that vicinity. A Conference, with Bishop Janes presiding, being in session at Timber creek, a committee of fitty was appointed to wait upon been progressing for so long a date, in the man ner described, is certainly extraordinary.—Richond Whig.

them, and warn them not to prosecute further the business of the Conference, and order their OVERLAND TOWARDS THE NORTH POLE OVERLAND TOWARDS THE NORTH FOLE — Mr. Robert Kinnicott of Chicago, started from that city last Tuesday, on a journey overland to the Arctic Ocean. He proposes to proceed to Fort Garry on the Red River of the North, whence he will travel northward in company. He departure from the county on pain of having Lynch law applied to them. This duty was perormed in the following manner :

On the Sabbath, the great day of the Conference. Bishop Janes was in the pulpit and the with agents of the Hudsons Bay Company. He will proceed in dog sledges across the valley of he Saskatchwean and the valleys of the Allaintroductory services were in progress, when, from the windows of the church, far away on the level plain, might be seen some horsemer approaching. The house was about two-thirds asca and Peace rivers, to Great Slave Lake, rriving at McKenzie River in the spring of 860. The summer of that year he will devote full, when they knelt in prayer; on arising, the horsemen bad arrived, tied their horses and to exploring the shores of the Arctic Ocean, re-turning home the following year. The object of Mr. Kinnico:t in this hyperborean jaunt is to collect specimens of the Fanna and Flora of that region.— Quebec Chron. crowded into every open place in the house. As the Bishop arose to announce his text, the leader of the mob, about three feet from the

Bishop before him, exclaimed, "I have some business, sir, rather unpleasant to me, and more so to you; we have resolved in public meeting THE ELIOT SCHOOL AFFAIR .- Of the near-ITHE ELIOT SCHOOL AFFAIR, ---Of the hear-ly 900 pupils who left the Eliot School on the recent rebellion, some fifty of those who left are absent, and probably will not return. The re-mainder submit to the regulations of the school. that you shall not preach or **bold meeting** these regions." The Bishop replied that it was not his place to decline to preach; it was for the society living there and owning the house to decide whether it could be occupied that morn-ing according to appointment, and unless the The committee are determined that the discip-line of the school shall be maintained. Some ing according to appointment, and unless the line of the school shall be maintained. Some trustees or proper authorities forbade him, he half dozen of the rebellious boys have been al must preach. The leader of the mob replied threateningly, declaring that in all that region Methodist societiès should no longer be tolerated. The firmness of Bishop Janes enabled him to finish his sermon, but for prudential reasons, the Conference dispersed.

DEATH OF THE KENTUCKY GIANT .--- We OUTRACES ON AMERICAN CITIZENS I PERU.-Our governmeut is likely to continue to have a busy time in settling quarrels with the Spanish American republics. We have accounts of the success of Miramon in Mexico, and his in-dignation at the recognition of the rival govern ment of Juarez by the United States, and his dismisal of the American Consul General; and dismisal of the American Consul General; and simultaneously statements of outrages upon American citizens in Chili. days duration. The disease which termina his life, we are informed, was an affection of his life, we are informed, was an affection of the

The Chilenos were formerly very favorable to the people of the United States, but their emi Few men have been more widely known than grant, to California have been treated much the Mr. Porter. His extraordinary height, being same as the Chinese, and this has caused the about seven feet nine inches, ranked bim as the grant, to California have been treated much the tallest man in the world .- He seemed to labor Americans to become obnoxious in Chili. In the late outbreak in Valparaiso, the Amunder the consciousness that he was an object of erican consulate was invaded, and American universal curiosity, and shunned rather than

The Christian Examiner for March, a its declination 60 degrees and 57 minutes North Unitarian quaterly, has a long article on Stevens' History of Methodism. This is one of its paragraphs: "The peculiar power of Method-eleventh magnitude. The observations made its paragraphs : " The peculiar power of Methodism lies in the practical, wise, humane tendency show that it is moving West about two degrees By their fruits ye shall know and South one degree and fifty minutes, daily. them' is its leading motto, and we believe it can

Latest from Europe. BY R. M. S. CANADA

The Canada arrived yesterday morning with advices to the 7th inst. We extract from Wil. ing Committee, which stands in last year's mencing Wednesday, 1st June, 10 A.M. The mer & Smith's European Times the latest and minutes for Thursday morning, the 16th of June Circuit Stewards are requested to be present

most important intelligence : THE ELECTIONS -The number of members that it may not be necessary for Ministers to

shows, a majority of 56 Liberals. There are suit the New Brunswick Districts better, and commencing on Thursday, the 26th May, at 2 still more than 100 members to be returned, but it is hardly likely that the present proportions will be much altered by the result, so that Lord berby is almost certain to meet the new Parlia-ment in a decided minority. The only man of mark who has been thrown out is Mr. Bernal Obserne and fear the discusses will committee is generally too limited, and that it is not well to reduce the time. But in this matter it may be prudent to make the alteration, if all Osborne, and from the disclosures which have transpired, the means of securing his defeat will concerned are punctual in their attendance. unseat the sitting members, on petition. The greatest Conservative triumph has occurred in President in our next. South Lancashire, where the late member, Mr. Cheetham, has been defeated by Mr. Algernon

Egerton, second son of the late Earl of Eiles-mere, and Mr. J. Pemberton Heywood, the Liberal banker, by Mr. Legh, an officer in the army, who fought at Inkerman. The liberal losses in the boroughs amount to 28; in the counties 7. The Liberal gains in the boroughs are 15: in the counties 3. THE WAR.

The first blow has been struck between the Austrians and Sardinians, and the latter, withou the aid of the French, have been successful. I occurred at Frasinetto, where the enemy at-tempted to cross the Po, and, according to the Piedmontese version, the Austronautic to the Piedmontese version, the Austrians suffered severely, and the Sardinians very slightly. The cannonade, which commenced on Tuesday, lasted fifteen hours that day, and, recommencing or the afternoon of Wednesday, lasted the whole of the day. From the situation of the belligerent which will be found described in another column the trial of strength cannot be prolonged beyond a few days. Every hour may bring intelligence

Caldwell, Bourinot, (Cape Breton.)—18. Returns Doubtful.—J. Campbell, (Queens of a general engagement. The "war of Italian independence" is to l Johnston, Shaw, Langly, (Annapolis.) Churchi essentially a war of crowned heads, as Francis Joseph is now to take the command of his army (Hants.)-5. in company with the old and experienced Gene-ral Hess. The King of Sardinia is already at the head of his forces, Louis Napoleon waits but FOR OPPOSITION - Declared Elect. - Annand Austria is quite ready to lead his soldiers t victory. It is stated that General Hess disap proves of part of Gyulai's plan of attack, but the may be reckoned as one of the rumours which

easy to set affoat under any circumstance Part of the Como gendarmerie, armed Minie rifles, are reported to have fied from Austria and joined the Piedmontese. Returns Doubtful, or Disgualified. - Esson The letters and correspondence from Italy supply details which the brevity of telegraphic

communications always throws away as extra neous matter. We learn the enthusiasm with asm with which the French have been received both in Turin and Genoa, and of the Sardinian clergy the success of his army. Louis Napoleon, too, has lately ordered a levy of 20,000 sailors, a measure which can only be meant for naval pur boses, and against whom the navy is to be directed it is for the French Emperor to say. Aus ia, on her side, has thrown a whole division of Pope, has no apparent connection

vements in other parts of Italy. A Vienna letter speaks of a probable rising of the Christian population in Turkey; and such an avent is not unlikely in the present unsettled state of Europe. Omar Pacha was sent for from Bagdad to take the command of the Turkish forces at Shumla, where 120,000 men are con-

centrated. The Montenegrins are unsettled, Prince Milosch is raising a Servian militia, and the Hospodar of the Principalities is demanding the arms which the Russians carried away with A meeting of the Prussian Chamber of Depu

ies took place on Thursday at Berlin, when the Foreign Minister made a statement with regard the position of Prussia in the present crisis.— e demanded the increase of the income-tax for ne year, and a further addition of 25 per cent o that increase in case the mobilisation of the rmy should become necessary. from Mexico, received yesterday by the State Department, fully confirms the accounts already published. The liberal cause has experineeed hand, if the troops at Vera Cruz must suffer very much, if they are to be retained there. Miramon, on his entry into the capital has it is alleged, committed such outrages against the people and government of the United States as would seem to call for redress. The President and Cabinet are embarrassed by this state of things.

THEODORE PARKER - The Pittsburg Advo-A PLEA FOR LIFE ASSURANCE .--- " Many cate says: "We are pleased to see that there is one Christian divine who has had the courage to men intend to insure, but they still allow year after year to pass away and the duty unperrebuke Antichrist in the person of Theodore Parker. Not that we think that this notorious formed. Lolling in easy comfort in their warm houses, they cannot bring their minds to admit the possibility of their families being destitute. individual is worthy, either for his genius, eru dition, or works, to be made the subject of a pub-lic lecture; but as the representative of modern Let such parents—and they are too common— contemplate for one moment on what a precipice their offspring rest; hanging by the slender thread of life of him to whom they owe their Boston infidelity, he becomes a fit subject for discussion. Dr. Foster, of the Evanston University, has done a good work in tearing the thin disguise from this audacious enemy of own existence—a life which no sooner ceases than the brittle fabric on which they stood Christianity, who has been invited to lecture to dissolves and leaves them beggars. Think for one moment of such a fate for those you have Christian men and women in nearly every city of the Union, regardless of the mischief thus nurtured; rather bring them up in penury and want-inure them to all privations which poverdone, probabably unwittingly, to the cause of Christ. Parker preaches on the Sabbath to a ty brings in its train—rear them on coarse and humble fare—teach them from infancy to toil for regular congregation, and has thus thrown a veil over his real character and teachings which has daily bread, and then, when you are gone, the shielded his deformities from many. Great numbers of strangers, attracted by his reputation as a speaker, visit his temple, little imagintion as a speaker, visit his temple, fitte imagin-ing that they are worshipping at the shrine of a false god. Since Dr. Foster's just delineation

false god. Since Dr. rosters just demeation of Parker's true religious character and of his deadly hatred to Christ, no excuse can be offerfatal error be is labouring under; let bin use every means in his power to make this pro-vision now, so that he may be enabled to lay his ed by those who write to him to lecture, or by those who listen to his poisonous and most in-

THE WAR OF DYNASTIES .- The fearful con flict which seems impending in Europe, threat-ening to deluge a continent in blood, engages leaving behind him the means of placing them our attention rather from the sanguinary charat least beyond the reach of want."

of any great moral principle involved. The chief combatants are two leading Catholic pow-HAYTI UNSETTLED.—According to private letters received from Hayti, President Geffrard is anything but securely seated in power.— Several political clubs are formed against him. ers of Europe, each actuated by a desire for supremacy in the Italian States, and jealous of the influence which they may respectively exert within the Papal dominions. They are well The blacks seem almost universally opposed to him, on the ground of his being a mulatto. He seems to be struggling hard, however, to post-pone or prevent any outbreak.—N. Y.
