SUPPOSING

you were offered a deed of a valuable piece of realty, the only stipulation being that you paid the interest in advance each year for twenty years, when the property would be yours absolutely or in the event of death a clear title would be given your estate. —wouldn't you grasp the offer as a matter of good business? This is in substance what our guaranteed Twenty-Year Endowment is: It means a competence if you live or an estate if you die. Let us tell you more about this Plan. Women accepted at regular rates.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
