CHOLERA.

CITY DISPENSARY

NELSON'S CHOLERA SPECIFIC.

This preparation was under the immediate sanction of the Central Board of Health of Canada, and is now used throughout the Province of Quebec, and in every part of the United States, and in every part of the world.

See Dr. Garrison's Certificate, Health Officer of the city.

13 Little St. James Street, April 23, 1866.

"Sir—I have examined the mixture you sent me, and can confidently recommend it as a safe and efficacious remedy in cases of simple Diarrhoea, or in the premonitory Diarrhoea which generally precedes an attack of Cholera. I think it a good and useful remedy for any person to have by him, and to resort to in such cases until proper medical advice can be obtained, which ought always to be sought at an early stage of the disease."

"I remain yours, &c., &c.
