

# ONE MORE WEEK OF LARGE VOTES Offered You

## To-day's Big Vote Offer Affords a Grand Opportunity for New Entries

There are a great many people who would like the Daily Courier and would gladly give a 6 months' subscription to some good live energetic candidate if they would get out and see them. The reason why we say this is because every day there are new subscribers coming into the office with their subscriptions, and were not aware of the fact that there was a contest on until they saw the paper. It is up to you candidates to get out on the Rural Routes and see every one.

The contest is fast nearing an end. Are the judges going to read your name as a winner of the Grand Prize Dodge Bros. Touring Car, or are you going to be counted as a winner of some small prize? Results will tell. Success will crown your effort. The slogan this week, "Get Busy." Keep busy and get results. Success and failure both have the same number of letters. Which is to be yours?

### The Great Vote Offer Ends 8 p.m. Get Busy Sharp, Saturday Night! Stay Busy

Several of the candidates are over confident. This is a big contest and is going to take many times as many votes as some think. The candidates who think they are in the land of plenty of votes are going to lose—Why? Because the real live, energetic candidates are getting the results. Wake up—it is results this week or lose. Get busy.
