**The Canning Advertiser**

Dr. A. C. Borden has been elected President of the Nova Scotia Methodist Conference, in session at Amherst.

The Methodist District Meeting held here over a week ago, was well attended by the clergy and laity from the districts and the sessions were of considerable interest.

Word has been received from Witley Camp, England, in private letters, that Captain Harvey Crowell, son of Rev. Dr. Edwin Crowell, of Yarmouth, formerly pastor at Canning, who is now in a hospital in England, has been recommended for the rank of Major, also for the Distinguished Service Order. This is in recognition of his determination to "carry on" the gallant work at the battle of Vimy Ridge, in which he was wounded. Capt. Crowell is attached to the 85th Battalion.

Dr. Lorris Borden, son of Mr. Benjamin Borden of Sheffield Mills arrived at his former home last week from Nelson, B. C., where he enjoys a large practice. Dr. Borden has not been home for eleven years. Besides himself two of his sisters are residing in British Columbia.

Miss Winnifred Eaton who has been for years a missionary in India at Palacanda, returned to her home at Canard last week. She is daughter of Mr. Albert Eaton and has by faithful and efficient work earned a rest to recover full health.

There will be a public missionary meeting in the Baptist Church, Upper Canard Friday evening, June 29th, 7.30 o'clock. The meeting will be addressed by Miss Winnifred Eaton who has just returned from India and others.

**MORE THAN HALF A MILLION VOLUNTEERS**

WASHINGTON, June 25—More than a million men have volunteered in the American army and navy during the period of less than three months that has elapsed since war was declared to exist. The army, navy and national guard represented an aggregate strength of little more than 300,000 men when the war resolution was adopted. Today between 700,000 and 800,000 are enrolled in the various branches of the fighting service and the great majority of them are armed, equipped and under training. They will be joined at the end of the summer by nearly a million men, selected for the new national army from the millions registered for war during June.

**\$1,000,000 A YEAR**

FOR CHARLIE CHAPLIN  
SAN FRANCISCO, June 25—Charlie Chaplin, movie comedian, has sold his pictures for the coming year for a sum exceeding \$1,000,000. It was learned here today. The First National Exhibitors, a syndicate of wealthy film men, made this purchase. Under this deal, Chaplin will produce his own pictures and will have his own company. Chaplin completed the deal during a visit here last week.

**NEW RUSSIA WILL****FIGHT TO FINISH**

Petrograd, via London, June 17—The Duma, in secret session, has passed a resolution for an immediate offensive by the Russian troops.

The resolution declares a separate peace with Germany or prolonged inactivity on the battlefield to be ignominious treason toward Russia's Allies, for which future generations never would pardon the Russia of the present day.

"The Duma therefore considers," the resolution added, "that the safety of Russia and the maintenance of the liberties which have been obtained, lie in an immediate offensive in close co-operation with Russia's Allies."

Petrograd, June 16, via London—stirring proclamation placing the council of workers and soldiers' delegates on record as irrevocably opposed to a separate peace was adopted today by the council. The proclamation was prompted by Austrian efforts to lure Russia into a separate peace.

The council, representing the most democratic elements in the revolution, despite its watchword of "No annexations; no indemnities," has recently accepted the French programme for the redemption of Alsace-Lorraine as entirely just, on the grounds that it would be but the restriction of territory wrongfully seized by Germany in 1871.

**HUNTING FOR DESERTERS**

A week ago Sunday, Chief of Police Crowell went to Melanson with military police searching for a deserter. They went to the house of Mrs. Miles and demanded entrance. Mrs. Miles answered with a shot from a 32 rifle which pierced the door where Crowell was standing. Entrance was made and the deserter captured. Later Policeman Crowell and the military police captured three more deserters and brought them all to Kentville and delivered them over to the authorities.

Yesterday Mrs. Miles was brought to Kentville.

Mrs. Lockhart, wife of the late Captain William Lockhart has arrived at her home, Avonport from her long journey from the Pacific coast of South America accompanied by her two children. **THREE THOUSAND RECRUITS****FOR BRITISH IN UNITED STATES**

BOSTON, June 24—Canadian and British forces have obtained 1,301 recruits from this city since June 7 through the activities of the New Brunswick "Kilties" and their band of bagpipers. Colonel Percy Guthrie announced tonight. Of this number 108 left tonight for Fredericton, N. B., after a leave taking which jammed the train shed at the North Street Station.

Colonel Guthrie has just returned from New York to establish permanent British recruiting headquarters here.

NEW YORK, June 24—More than 2,000 British and Canadians in the United States had volunteered for enlistment at the British recruiting station here up to last night, according to Brigadier General W. A. White who is in command. While all these men have not been accounted, enough have qualified to form a battalion and a half, and they have been sent to Canada for training.
