The Princess has been in the United States about a year and recently she engaged in motion picture work. She is said to be a niece of the Khedive of Egypt. Her arrest came as a shock to many who knew her in New York and San Francisco. The Princess said that Buehler fell in love with her and offered to finance her to any extent if she would marry him. ## WHAT A GOOD BAND MEANS TO A TOWN.

In speaking about bands and town bands in particular, we sometimes hear people carelessly say, "What good is a band in a town anyway?" Well, first take inventory of the fellow who makes the remark. You may have reasons to allow the silly question to go unanswered. But regarding the remark more seriously, let us say that a good band is one of the most useful things a town or community can possess. It is one of the best advertisements a town can have. Emerson says something about the world making a beaten path. Well, a good band will make all the roads leading to the town beaten paths, even though the town's other attractions be not enormous; every merchant is benefited by a good band. Many people come to town to attend the delightful entertainments, and they combine shopping with this pleasure. The promoters of business and musical enterprises always have the satisfaction of knowing that their civic demonstrations from time to time will be successful, because they have a first-class band to lead the parade and attract the crowd. A band composed of able players is a tower of strength to any town or section of country. It cultivates the public ear to a high class of music, and does it right at your door too. Every enterprising citizen will boost the band wherever he goes. Canadian Bandman and Orchestra Journal, 145 Yonge Street, Toronto.
