GENTLEMEN,—In January last, Francis Feciair, one of the men employed by me, working in the lumber woods, had a tree fall on him, crushing him fearfully. He was, when found, placed on a dada dade home, where grave fears were entertained for his recovery, his hips being bodly furnied and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain, and with the use of three bottles he was completely cured three bottles he was completely cured and able to return to his work.
