## LOCAL AND PROVINCIAL

The Telegraph's correspondent writes:— low of the brick-layers getting at their work.

"The catch of salmon in the Restigouche The brick yard, in which all of the bricks to River is greater this season, both in the number and size of fish, than it has been for several years past. Some have taken, at one tide, as many as seventy-five fish, the average weight of which is twenty-six lbs. Fish dealers here are paying 10 cts. per lb. That the fishing on the Gasne coast is also good. dealers here are paying 10 cts. per lb. That the fishing on the Gaspe coast is also good, is shown by the large quantities received per tay, or the five machines will turn out 300, steamer Admiral for transportation by rail to the Canadian and American markets. The Government revenue cutter La Canadianne is here just now in the interest of the Fisheries Department?"

Accident to Rev. Mr. Brewer.

On his return home from this city last Sunday evening, the Rev. W. W. Brewer met with a very painful accident. While there are only a finite trying to turn his horse and buggie at the barn door his right hand was caught in some way in the cover of the buggie, which fell upon his fingers and dislocated two of them at the first joint. Dr. Barker, of St. Mary's, dressed the wounded limb. The pain at first was severe, but we are pleased to learn that the Rev. gentleman is finding more comfort with them now, and that in a few weeks they will be all sound again.
