## THE CHOICE BEFORE YOU

Three Leaders are appealing to the Electors of Canada for support namely, Crerar, King, Meighen. Which is to be Premier?

MR. CRERAR—The extreme Free Trader, who declares protection is morally wrong and economically unsound, and who, by his platform, is pledged to wipe out protection, thereby destroying our Canadian industrial life.

MR. KING—Who is all things to all men; who has no clear cut views on the tariff; who blows hot and cold to suit any and every audience—but who is Leader of a group of Liberals solemnly pledged by their official platform to enact Tariff legislation almost as drastic as that proposed by Mr. Crerar.

MR. MEIGHEN—The fearless champion of Canadian unity and solidarity, with clearcut, definite views on the Tariff and all other public questions—the man who has the courage of his convictions and the ability and energy to see them through. The man who stands for all classes and all sections of Canada.

### THE DECISION RESTS WITH THE ELECTORS

If Canada is to have strong, stable Government during the difficult years ahead, which of these three leaders is most likely to lead the nation through?

### THE ISSUE

has been placed plainly before us. Mr. Meighen stands for sane and responsible protection of all our Industries; these of the farm, forest, mine, sea and factory. He is steadfastly opposed to destruction of our home markets, and our home industries. He is a firm believer in Canada, and her destiny. He has the same policy for all Canada, from the Atlantic to the Pacific. It is for Northumberland Electors, to do their duty to Canada, and to themselves, by making sure that on December the 6th, they vote to maintain Mr. Meighen, by choosing as their Representative.

E. A. McCURDY

A vote for him, means Meighen and good Government.

### NEW LAW PARTNERSHIP

A new legal partnership, under the name of McDade and Barry, has been formed at Chatham. They will carry on their business in the Benson block, over the Bank of Nova Scotia.

Mr. McDade is already well, and favorably known, in his profession and he now has associated with him in Mr. Barry, a talented former pupil of St. Thomas's and Bachelor of Arts, who has devoted the past three years to the study of the law, and been admitted recently, with honors to the Bar of New Brunswick.

Many thousands of women have quite accidentally discovered in Dr. Chase's Ointment, a skin beautifier of rare value.

Because Dr. Chase's Ointment is so universally used as a treatment for eczema and the skin troubles of babyhood, its effectiveness as a beautifier of the skin is sometimes lost sight of, until using it for these ailments of

the skin its benefit to the skin itself is once more discovered.

Mrs. Everett Roberts, 44 Endicott Ave., Halifax, N.S., writes: "I used Dr. Chase's Ointment for my baby, who had ringworms all over his face. I tried almost everything I knew of without success until I used Dr. Chase's Ointment. This completely freed him of this annoying skin trouble in a short time. I would not be without this ointment in the house, and trust this may induce others to give it a trial and be convinced of its merits."

## CHANGING SCENES—MOVIE POLITICS

In view of the tactics exhibited by King, Crerar and Co, the conclusion is forced upon the people, that the everlasting turning round, and facing about they indulge in, in the public advocacy of whatever policy, or policies they have, must be necessary to suit the exigency of their position as they see it. Taking for granted that they mean all they say, any one who follows their canvaases closely and intelligently, cannot fail to see the contradictions and differences they indulge in. A dozen speakers or candidates will give a dozen different policies, each seems to have gone "on his own hook," and no matter how two faced, three-faced, or any other face it may be, it is all the "Gospel truth of Liberalism, and it is this hodge-podge the electors are asked to support. So many Railways policies have been announced and advocated on Liberal platforms, that it is hard to tell just where they are, other than a confused mass of uncertainties and differences. Any man of common sense not dominated by a craven and unreasonable party spirit, cannot fail to see how unreliable any party must be, whose position has to be bolstered up, in such a way. Judging by the tone of the public press every Province of the Dominion is witness to their inconsistencies. Even taking the

reports of various speakers and candidates as given in the Liberal Press alone; the proof of their dodging, twisting and turning is evident enough. In fact it is the summing up, and examining the evidence as given by some of these Liberal journals, independent of their Editorial opinions—which compels Government supporters, to the opinion, that in the present crisis, the placing in power of the King—Crerar—Field kind of a Liberal party, would be the worst thing which could happen to Canada, on December the 6th. La Minerve a French newspaper of Quebec has become so disgusted with them, that it is led to say "Liberals" have a different policy for each different audience, and a different programme for every contingency and constituency. In addressing a meeting where Laborers are they declare that the farmer's ask too high price for their produce, and then "go for" the Government, for not compelling them to take less, to keep down the cost of living. When addressing farmers, they will say that working men demand too high wages, for too few hours of work, and here again the government should interfere. Where they think the Electors favor Free Trade, it is dished up to them in great style, and if they come across a bunch of Protectionists, they are first quality in that direction. No

playacter on the stage could surpass them. Their programme is everlastingly changing—like the Movies

Canada needs something more stable than that. It needs a National Policy, the governing of the people, for all the people, by the people—not a class government.

CHICAGO, Nov. 8.—The Chicago, Milwaukee and St. Paul Railway Company was found guilty today of refusing to permit twenty-five employees to absent themselves from work for two hours with pay to vote in the primaries last April.

Judge Righelmer fined the company \$100 in each of the twenty-five cases. An appeal will be taken, the company attorney announced, to test the law requiring employers to pay for time employees spend in voting.
