**TO EXPECTANT  
MOTHERS**

Letter from Mrs. ANNIE E. AYARS  
**How Lydia E. Pinkham's  
Vegetable Compound  
Helped Her**  
Spring Valley, Sask.—"I took the  
Vegetable Compound before my last  
confinement, when I got to feeling so  
badly that I could not sleep nights, my  
back ached so across my hips, and I  
could hardly do my work during the day.  
I never had such an easy confinement  
and this is my sixth baby. I read about  
Lydia E. Pinkham's Vegetable Com-  
pound in the 'Farmer's Telegram' and  
wrote you for one of your books. We  
have no druggist in our town, but I saw  
your medicine in T. Eaton's catalogue.  
I am a farmer's wife, so have all kinds  
of work to do inside and outside the  
house. My baby is a nice healthy girl  
who weighed nine pounds at birth. I  
am feeling fine after putting in a large  
garden since baby came. (She is as  
good as she can be.) Yours is the best  
medicine for women, and I have told  
about it and even written to my friends  
about it." — Mrs. ANNIE E. AYARS,  
Spring Valley, Sask.  
Lydia E. Pinkham's Vegetable Com-  
pound is an excellent medicine for ex-  
pectant mothers, and should be taken  
during the entire period. It has a gen-  
eral effect to strengthen and tone up the  
entire system so that it may work in  
every respect as nature intends. All  
druggists sell this dependable medicine.  
Give it a trial.

**What Is The Influence**

What is the mysterious influence  
that is staying Ottawa's hand from  
placing an embargo upon the export  
of unmanufactured pulpwood?  
Not that of the farmer and set-  
tler; because the organized farmers  
of Quebec who are principally con-  
cerned have recently gone on record  
as favoring an embargo.  
Not fear of hurting private wood  
owners because the paper manu-  
facturers have agreed to provide  
them with a market.  
Not fear of public opinion, because  
public opinion all over the country  
is clamoring for action that will  
keep our raw materials in Canada  
and provide employment here in  
their utilization;  
Not the influence of the public  
press of Canada which with the  
exception of a corporal's guard; is a  
unit in favor of an embargo;  
Not fear of reprisals on the part  
of the United States because the  
United States has embargoed our  
wheat and put a prohibitive tariff  
against most of our products includ-  
ing all paper derived from  
pulpwood except newsprint which it  
could not do without and admits  
free to serve its own purpose re-  
ardless of any action we may take;  
Not lack of conviction upon the  
part of the Government as to the  
necessity for an embargo because  
they have already sought and ob-  
tained a special dispensation from  
parliament for the very purpose;  
Not cowardice on the part of the  
Ottawa authorities because it is in-  
conceivable that all members of the  
government can be absolute cravens;  
What then—is the mysterious,  
sinister unnamed influence which  
persists in forcing this issue: of  
so much vital interest to the Cana-  
dian people into the background?  
What is it?  
FRANK J. D. BARNJUM,  
Montreal; February 16th 1925.

**Exports From  
Portland Show  
Big Decrease**  
There was a big decrease in the  
quantity of Canadian products export-  
ed via Portland; Me., in 1924 as  
compared with 1923. In answer to  
a question from Dr. Murray Mac-  
Laren, Conservative; St. John it  
was stated in the House of Com-  
mons 7,480,183 bushels of grain  
6,921 head of cattle and 84,774 tons  
of package freight traveled over the  
Canadian National Railways to Port-  
land for export in 1924. In 1923 the  
figures were 10,048,819 bushels;  
9,820 head and 105,623 tons; respec-  
tively.

**Big Empire Buying  
Week in Britain**

London; Feb. 17—An Empire shop-  
ping week will be launched short-  
ly in Britain and housewives will re-  
ceive a demonstration in hundreds  
of stores of the benefit that will ac-  
crue by buying Canadian and other  
Empire goods. The movement is being  
inaugurated at Preston, Lancashire  
and there are many evidences that it  
will spread rapidly to other towns  
and cities. At Preston the tradesmen  
have undertaken to display the food  
stuffs that are obtainable in the Dom-  
inions and the Northern Council of  
Grocers Association has endorsed  
the movement. This is regarded as a  
natural outcome of the display of  
Dominion products at Wembley last  
summer. Canada is expected to be re-  
presented by cereals; fruits and fish
