And our possession of ourselves doesn't seem to need asserting. At least, we don't think it does. I suppose it would be more in line with the idea of initials for a wife to have her initials tattooed on her husband and vice versa. It is rather interesting, though, when you stop to think of it-this desire we have to put our stamp on our possessions. If we did it just to identify them so they would not get mixed with other peoples, that would be one thing, but we don't. We do it for our own gratification and the maximation of our ego.

Sell Sunlight Soap for Quick Sales and Sufficient Profits

Are you in business or just keeping shop? If you are keeping a shop you'll no doubt be able to keep it as long as your money lasts.

If you're in business, then you want your shop to keep you, and it will if you make quick sales and sufficient

If you try to sell to your customers any goods which they do not want, you may be able to do it; but the chances are against you. As a business person you should supply the goods your customers want and should try to make a profit on every transaction. Now take soap as an example: When you are asked to buy a box of soap which is said to be just as good as Sunlight Soap, consider carefully this important question: Is this other soap really just as good as Sunlight Soap? Unless this other soap will sell as well as Sunlight

Soap, it certainly is not just as good as Sunlight Soap FOR YOU.

The soap which people want is the easiest and most profitable soap for you to sell. Sunlight Soap being the soap which people want, is therefore the easiest soap to sell; in fact, it sells itself—people ask for it.

Sunlight Soap requires no pushing, and because it sells best—it pays best.

Stick to Sunlight Soap, it always has been and always will be the very highest quality of household soap,

Sunlight Soap is the soap your customers want. You will sell 5 cases of Sunlight Soap whilst trying to sell 1 case of any unknown soap.
