DOCTOR DAVIS,
Physician and Surgeon.
OFFICE—Merriack-st. between the McNab Methodist Church and the Royal Hotel, up stairs, second opposite the Market. Entrance on Merriack Street.
Can be consulted at all hours during the day and evening on all Chronic Diseases, Diseases of Women and Children, and all other diseases, together with those of a private nature. He has devoted over thirty years to the treatment of the above named diseases, and the success he has had has been without a parallel, as may be seen from the numerous testimonials in his possession.
Private Diseases.
It is well known that this branch of the medical profession has been much neglected, from the fact that it is most represented by quacks, who invariably practice under an assumed name. Dr. D. has devoted much of his time to the various forms of this disease, and by his improved remedies the worst stages are brought under subjection in from four to ten days. The many who are suffering from this habit in both sexes permanently eradicated.
No Mercury Used.
Patients at a distance can be treated by corresponding with the Doctor, stating the symptoms of the disease, age, length of time afflicted, &c., and receive his celebrated remedies by express, or at otherwise directed, secured promptly from observation. Reasonable remittance on all such applications will be required.
Dr. Davis' Celebrated Female PILLS.
For irregularities, Suppression of the Menstrue, Leucorrhoea or Whites, and all female difficulties, have been before the public for the last ten years, and are universally admitted to be the best remedy for which they are recommended. It is now in its second year, and has been used by millions of females, their failing to have the desired effect. Printed directions accompany each box. Sent by mail to any part of the country on receipt of one dollar.
The doctor can be consulted at all times with the utmost secrecy, as his office is arranged so that it is impossible to see each other, unless by consent. No charge for advice when obtained at the office, if by letter, one dollar. All letters must be addressed (pre-paid) to Dr. Davis, M.D., Hamilton, and to contain a postage stamp when an answer is required.

Connection with
Commercial College
Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, Principal.
A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscripts and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with simple black-board explanations, and special lectures to suit individual cases. Actual business is here introduced by the use of Banks, and other offices, as in business houses. The most efficient method of giving instruction in this institution is the most important feature. Students cost their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and an exchange, by introducing the actualities of business, as well as the abstract theory of Book-keeping. For further information please call at the College, or send for a College Monthly, enclosing letter stamp.

IS MRS. WINSLOW?
This question is frequently asked, we will
tell you that she is a lady who, for upwards
of thirty years, has untriflingly devoted her
talents as a Female Physician and
nurse to the relief of suffering humanity,
especially among children. She has
studied the constitution and was a
sensible class, and, as a result of this
practical knowledge, obtained in a
ment as nurse and physician, she
found a Soothing Syrup, for chil-
dren, which she called "WINSLOW'S
Soothing Syrup," and is, moreover, sure to
relieve the bowels. In consequence of this
Syrup, Winslow is becoming world-
famous, and a benefactor of her race.
Children rise up and bless her; especially
in this place. Vast quantities
of this Syrup are daily sold and used
throughout the world. It is so
valuable, that millions yet unborn will
be indebted to her for the relief of
their suffering. Winslow's Soothing
Syrup, is sold by all Druggists,
and is the only object of the adver-
tising. Be sure and call for
WINSLOW'S Soothing Syrup. All others
are imitations.
