

EXTRACT. — I find that in incipient Consumption, and other diseases of the Throat and Lungs, Follow's Compound Syrup of Hypophosphites has done wonders. In restoring persons suffering from the effects of Diphtheria, and the coughing following typhoid fever prevalent in this region, it is the best remedial agent I have ever used.

EDWIN CLAY, M.D., Pugwash, N.S., Jan. 14, 1888. Price \$1.50 per bottle; 6 for \$7.50. Sold by apothecaries and by F. Cundill & Co., wholesale agents, Montreal.

The Buffalo brokers are running against each other to secure Canadian money, which is now quoted at one per cent. premium, but the run is nothing compared with that after the Canadian Pain Destroyer, which the people have found out to be the very best thing for the cure of colds, rheumatism, sore throat, bowel complaints, &c. Sold by all medicine dealers at 25c per bottle.

Thousands of promising youths, of both sexes, go down to untimely graves from general debility and weakness, who might be saved by fortifying their systems with iron. The Peruvian Syrup is an Iron Tonic prepared expressly to supply this vitalizing element, and is the only preparation of iron that will assimilate at once with the blood.

Cornwall Blankets.

The CORNWALL MANUFACTURING COMPANY beg to caution the public against a spurious imitation of their celebrated blankets, now being imported into this country from England, and put up so as to cheat the public into the belief that they are of Canadian manufacture. The style and general appearance of the Cornwall Blankets have been closely copied, and so have the shape and printing of the tickets, except that the words "Cornwall Manufacturing Company" are omitted, and the words "Canadian Manufacture" substituted.

Persons desiring a really good and genuine article will have to see that the word "Cornwall Manufacturing Company" are on the ticket of each pair of Blankets.
