

Town and County News

Base Ball.—Probably the last game in this vicinity this year was that between the Silver Creek 2nd nine and the Mountain Rangers, on Mr. Sleeman's ground yesterday afternoon. The 'Creeks won by a score of 15 to 50.

This Evening.—The Y.M.C.A. Literary Class will meet in the Reading Room of the Association this evening. The Class is now in running order, and a programme has been provided for this occasion. A full attendance of members is requested, and the doors will be open also to young men who are not members of the Association.

The Late Accident at Mr. Forest.—John Hutchinson, whom we mentioned in a late issue as having been fatally injured by being thrown out of his buggy, near Mount Forest, was a son of the late Wm. Hutchinson, of Nichol, and has numerous relations in that township and also in Garsfranz. He resided in these townships until recently.

How Thanksgiving Day was Spent.—Yesterday being set apart by Government as a day of public thanksgiving, the pious of business in town were, with a few exceptions, closed. Services were held in all the churches in the morning and in some of them in the evening. In the morning, the appearance of the sky did not omen very propitiously, as regards weather, but after a slight shower, the sun came out bright and clear, and delightful weather was experienced during the remainder of the day. Quite a number of people went for a drive into the country, while others of a sporting nature might be seen, gun in hand, speeding their way to some happy hunting ground.

Cotton Grown in Guelph.—Mrs. Arnold, of this town, has shown us a head of cotton, grown from seed brought from Savannah by Mr. Wm. A. Bookless some twenty months ago. It was sown in May, in the open air, and when pulled was quite ripe. The head is large, and the cotton appears to be an excellent sample. We were not before aware that this plant would come to maturity in Canada, but are informed that it ripens earlier here than in Savannah. Might not some one try cotton culture in Canada as an experiment?

Knox Church Social.—The Social given on behalf of the Bible Class of Knox Church, last evening, was most successful. It was an "after-tee" affair the customary refreshments being dispensed with. The entertainment thus partook less of an alimentary and more of a literary character, and was certainly more enjoyable than is usual. One of the features of the evening was a reading given by the pastor, Rev. W. S. Ball, entitled "Strife in Heaven." A statement read by the Secretary showed that about \$16 were still due for a book-case which had been purchased for the books of the Bible Class. The meeting closed with devotional exercises.

A Candidate for Wimbledon.—Mr. James Rawson, of Walkerton, and a member of the Bruce Rifle Association, has been notified that his score 191 points at the late rifle match in Toronto brings him within the number of those from whom the Wimbledon team is selected.

Melancholy Accident at Cumminsville.—While Mr. A. H. Earl, of Cumminsville, was in the act of taking down the frame of an old saw mill, on Thursday, the timber on which he was standing gave way, precipitating him about twelve or fifteen feet among old timber and stones, and breaking one of his legs in two places and severely injuring him about the body and head. He is in a favourable recovery.

Railway Extension.—The locomotive "Gordon," of the Toronto, Grey, and Bruce Railway, arrived with the construction train at Teeswater on Wednesday evening. There was great rejoicing among the villagers, who gave the workmen a grand luncheon in the station.

Burned to Death in a Lock Up.—On Thursday morning a fire broke out in the lock-up in Collingwood. Unfortunately, there was a man named Archie McLean lodged in the lock-up the evening previous, a fact not generally known when the fire was discovered. Mr. Cappell Mill, went to the window of the lock-up and shouted, but receiving no answer, he thought the man had been liberated. After the fire was extinguished the remains of the unfortunate man were found huddled in the corner of the building, fearfully burned.

A Murderous Assault.—Two farmers in the Township of Glenelg, named Falkingham and Karney, had an altercation while threshing on the farm of the former recently, when Falkingham raised an axe, which he held in his hand, and struck Karney on the head, knocking him senselessly to the ground, after which he struck him another blow. The other men at work on the machine seized the would-be murderer, and took him before a magistrate, who committed him to gaol, to await the result of Karney's injuries. While being conveyed to the gaol at Owen Sound, he escaped from the constable who had him in charge, and has not been heard of since.

Breakfast.—Epps's Cocoa.—GREATFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co., Homoeopathic Chemists, London." 1/6-9m

The grain business along the line of the W. G. & B. R. is quite brisk just now. Large quantities are being shipped to the States.

Nature's Diadem.—Is your hair falling out? Is your hair growing dry and lifeless? Is your hair less pliable and glossy than of yore? It wants a good healthful hair dressing to help exhausted nature to recover itself. Try Bearine and mark the change. The amount of freight offered at the Galt station of the Grand Trunk has immensely increased. The Galt Reporter says:—On Saturday last some seven cars were loaded with apples at this station alone, and on Monday and Tuesday there must have been fully as many each day. The total export of apples from Galt this season will reach 2,500 barrels. Mr. Bourcher alone shipping 1500 barrels. These figures show that the trade in this fruit is larger this year than we ever before knew it in this section of the country.
