

Act Directly on the Liver

Biliousness and headaches quickly cured by **DR. A. W. CHASE'S KIDNEY AND LIVER PILLS**

When you feel irritable, cranky and downhearted, you can usually blame the liver, for there is no organ in the human body which so quickly throws the system out of sorts as a torpid, sluggish liver.

You don't need to be in the blues long if you know about Dr. A. W. Chase's Kidney and Liver Pills, for by their direct action on the liver they relieve promptly and prove lastingly beneficial.

One of the principal ingredients of this medicine is known to the medical profession as a specific for liver derangements. Quickly, naturally and certainly it awakens the sluggish liver and drives out the poison which causes biliousness, headache, dizziness, a depressed feeling over the whole system.

Vigor strength and good nature will return when the liver is set right by Dr. A. W. Chase's Kidney and Liver Pills. One pill a dose, 25 cts. a box, all dealers, or Edmondson, Bates & Co., Toronto. Write for free copy of Dr. Chase's Recipes.

LADIES WERE SORRY THAT THEY MISSED

And They Have Some Very Kind Remarks to Make About President Taft.

Washington, April 15.—In explanation of the hissing which greeted President Taft last night at the convention of the National American Woman Suffrage association, when he did not endorse the entire position of the suffragettes, the convention today adopted a resolution of thanks and appreciation for his words of welcome.

The resolution described Mr. Taft as the first incumbent of office to recognize officially our determination to secure a complete democracy, the reply testifying his conviction as to his power and growth, and that the president's seriousness, honesty and friendliness had converted what might have been an empty form into an official courtesy, historic alike for him and for us.

The resolution was adopted unanimously by a rising vote.

A Quick Exit

The editor suddenly became conscious that some one was standing behind him. Looking around, his glance fell upon a seedy-looking individual with the eyes of a crank.

"I beg your pardon," said the newcomer, "but is there an opening here for a first-class intellectual writer?"

"Yes," grimly responded the editor.

An ingenious carpenter, foreman your visit, has provided an excellent opening. Turn the knob to the right, and do not alarm the door as you go out."

AT THE THEATRES.

At the Orpheum

Starting with a matinee today and running until Wednesday night, the Orpheum will have something new to draw the theatre-going public of this city. Miss Dixie Christie in her musical act, in which she uses a harp weighing over 350 pounds, should be a great drawing card. The Melvilles will give their one-act farce comedy, which was specially written for these people. Nat and Marion Munson in their comedy, "The Reporter and the Prima Donna," should also prove good. The illustrated song and picture have been carefully selected.

At the Lyric.

Commencing tonight for four evenings, with a Wednesday matinee, the National Stock Company will offer an elaborate production of "The Unwritten Law" at the Lyric theatre. This powerful story of modern justice is claimed to be the greatest of all western plays. The characters are all true types of the stirring days of '49 in the great west, and uproarious comedy situations follow one another in rapid succession throughout the play. This is the last presentation of the National Stock Company in this city. Seats for all performances may be reserved any time at the box office.

Starland.

A complete change of program today, commencing with a ladies' matinee at 2 p. m. when the usual extra pictures will be shown, including some of those masterpieces which have made the name of "Starland" a byword in moving pictures. The whole bill is of a very high class, pre-eminently order, whilst new music and a favorite song by Mr. Graham will help to convince the public of the management's earnest desire to live up to and even improve upon the good name already earned. An Indian subject, "Red Wings and Grizzlies," is a very pretty story, whilst a thrilling drama, entitled, "If Love Is True," relates how a rich man wooed and won his bride by working in a paper mill. The whole subject is well worked up with several good fights and the burning of the mill, from which the rich lover saves his sweetheart and earns her undying gratitude and love.

PHENOMENAL GROWTH OF PRINCE RUPERT

Eight Hundred Houses Built in Six Months—Population is 3500

Vancouver, April 16.—The total assessment of the whole of the Prince Rupert township, which has just been completed, is \$16,339,156, of which \$439,596 is in improvements. The Grand Trunk assessment amounts to half of this total, being \$7,224,550, which includes the four sections not yet put on the market, and the reserve from properties along the waterfront and elsewhere.

Assessor Cuthbert explains that this is all taxable until such time as the railroad is completed when the yards and right-of-way are exempt under an agreement with the government. The government's proportion of the land, not yet sold and reserved as of course, exempt from taxation. The population, as enumerated when the assessment was taken a month ago, was 2,239. This comprises only permanent residents. "The transient or floating population is easily 1,000," says the Optimist, "and at the present time 2,500 is a fair estimate of the number of people."

There are no less than 500 buildings on the townsite, practically all of which have been built in the last six months.

To Raise Battleship Maine.

Madrid, April 15.—El Pais, commenting upon the proposed raising of the United States battleship Maine from Havana harbor, suggests that an examination of the wreck be made by a mixed commission of American, Spanish and French engineers, to determine the cause of the warship's destruction.

Chicago, April 16.—Champion Jack Johnson says that he bears no ill will toward James J. Jeffries, and to show that he is in earnest, sent a telegram to Jeffries, in which he congratulated him on his birthday anniversary.

"I have only the highest regard for Jeffries as a gentleman and a fighter, and I will say that to me, which are the uncompromising, I shall continue to hold that opinion of him."

Johnson said, "It is not right for fighters to be so unfriendly that they continually call one another names through the press. If I beat Jeffries I will be the first one to help him to his corner, and if he beats me I will be the first one to congratulate him. Although I celebrated my 32nd birthday last month, and did not receive any good wishes from Jeffries, I think it was more of an oversight on his part than anything else. I hope he had as good a time celebrating as I did, and I hope his wife is on the road to recovery."
