Is it to be Laurier and Hyman, or Tupper and Beattie? Who wants to go back to the days of dark depression before 1896?

Enthusiastically Welcomed Shediao and Moncton.

Sir Wilfrid Thrills the Enthusiastic Thousands Who Flocked From All Quarters to

Hear Him.

Shediac, N. B., Oct. 24.—Sir Wilfrid Laurier was most enthusiastically welcomed at Shediac, where he arrived at 12:30 o'clock this morning, accompanied by Hon. A. G. Blair, minister of railways and canals, and Hon. H. Emerson, ex-premier of New Brunswick and Liberal candidate in the county of Westmorelland. This constituency, which was represented for a good many years by Sir Herbert Smith, has remained Conservative er today in Canada because they are since 1882. Mr. Emmerson is in the dearer all the world over. That is a field now as the standard-bearer of the Liberal party, and he means to redeem the county. Judging by to-

without doubt that Mr. Emmerson's

chances are decidedly good. Numerous delegations came down from all parts of the country to join in the celebration. The train was met by the local political leaders, and the visitors were received with loud cheers. Flags were hoisted on every building, and inscriptions of all kinds welcoming Sir Wilfrid and recalling the good work of his administration were to be seen everywhere. At the station had been erected a large arch of honor, profusely decorated with flags and mottoes. Prominent was the flag of the Acadians, red, white and blue, with a yellow star. As is known, the Acadians are very numerous in Westmoreland county, there being some 4,000 of them in the very district of Shediac out of a population of 12,000. They displayed great enthusiasm in the presence of the great chieftain. Sir Wilfrid spent part of the fore noon in receiving the citizens of the place. At 12 o'clock he took his dinner at the Weldon House, in company with his colleague, Hon. iMr. Blair, and Senator McSweeney and Hon. Mr.

Emmerson. The meeting was advertised to take place in the open air near the railway station, at large platform having been const ructed galily decorated for the oc sasion. However, the weather became threatening and it was decided to hold the mass meeting in the skating rink, which was passed to its utmost capacity. The crowd, headed by a bre is band, accompanied the premier from the hotel to the meeting place, and on the way

It was one grand ovation 1. Mr. James McQueen, barrister, of Shediac, acted as chairs nan, and first introduced Mr. Emmers on to the audience. The candidate was well received by his hearers.

The chairman then presented the speaker of the day. He had no sooner announced Sir Willful id's name than his voice was buried in a thunder of cheers and applause. The premier stepped forward, and was met by Mr. J. H. Hebert, a promin ent delegate of the Acadians of this cit y, who, in their name, presented him with a handsome address of welcome and of good wishes, besides eulogizing the premier upon his patriotism towards all creeds and nations in Canada. There was also flattering mention made a of the principal acts of his governe nent.
Sir Wilfrid spoke in French, and

He thanked the Acadians for their complimentary remarks in their address, and said that he accepted with pleasure the tribute rendered him on account of the settlement of the Manitoba school question. This question was a most difficult one, and it had been settled to the satisfaction of all parties interested. Sir Wilfrid also spoke in English a few minutes, and was tremendously applauded. Mr. Blair

also made an address.

AT MONCTON. Moneton, N. B., Oct. 24.-Moneton was tonight the scene of one of the most sincerely enthusiastic demonstrations ever witnessed in this section. The whole town was ablaze with excitement. Laurier's name was in everyone's mouth. There were seven bands from Sussex, Amherst, Truro, Sackville, etc., with special delegations, who took part in the procession. Torchlights in great number, preceded by the mounted escort, led the march. The streets were profusely decorated with inscriptions and mottoes of all kinds. The principal private residences were gaily Illuminated with Chinese lanterns and Bengal fires, and at the rink people were packed in like sardines. from a very early hour. It is estimated there were 7,000 people present. An overflow meeting had to be held

in the opera house.
Sir Wilfrid arose to speak amidst the cheers and applause of the thousands of people present, and stated that if he was to judge from the enthusiasm shown him everywhere he passed he would feel certain that the Liberals would sweep completely the entire provinces of the Dominion.

SEALS SCARCER. Victoria, B. C., Oct. 25 .- During the season just closed 34 sealing schooners took 16,000 skins in Bering Sea, which is 8,000 less than taken by 25 schooners during the previous season. Last spring schooners took 16,517 skins on the coast, bringing the total for the season up to 32,517. Only 55 branded

seals were killed in Bening Sea. CAPTAIN AND CREW SAVED. Queensland, Oct. 25.-The steamer Commonwealth, which arrived here yesterday, had on board Capt. Dorr and the crew of the American schooner Leading Breeze, who were taken off their vessel a few miles from Boston. The Leading Breeze, when she was day's demonstration it can be said abandoned, was in a sinking condition. She had sprung a leak during a gale. The crew proceeded to Liver.

> IN DANGER OF LYNCHING. New York, Oct. 25. - Crowds sur. rounded the Passaic county jail in Paterson, N. J., last evening, and threats were made against Walter C. McAllister, George J. Kerr, William A. Death, and Andrew Campbell, confined there on the charge of having murdered Jennie Rosschieter, the mill hand, whose body was found on the outskirts of the city last week. So menacing were they that extra guards were put on duty. The officials feared that if a leader appeared at any time to inspire the crowd an assault might be made. There has been fully 300 persons present during the afternoon, but when the mills and factories closed probably 3,000 gathered and the excitement was intense for a time.
