TODAY'S MARKETS

Noon Letter. [Special wire to Roth Bros. & Co.] Chicago, Feb. 6.—The disappointing cables were the incentive for free selling by the crowd in the wheat pit this morning, right from the start, and they did not seem to run into any opposition from any bulls, either. There was a limited amount of commission house selling, too, and it looks as if there might be some liquidation by longs if the market gets lower. Would rather sell on rallies under the circumstances than to buy on breaks, except very sharp ones.

OPPORTUNITIES FOR INVESTORS. Mining stocks are low. Splendid time to invest. I have personally examined, which can recommend. Write or call. A. E. WELCH, 3 Masonic Temple, London, Ont.

NURSES DISAGREE. In the Peekskill Hospital—Canadian and American Girls Fall Out Over Soldiers' Pictures.

Peekskill, N. C., Feb. 6.—There is trouble in the Peekskill Hospital be- tween the American and Canadian nurses. Miss Genevieve T. Jackson, a Canadian, has been at the head of the training school for nurses in this in- stitution, and many Canadian girls be- came her pupils. The South African war has caused trouble between the American girls and the girls from across the border over pictures of British officers and American officers posted on the walls. More trouble comes from the fact that the Canadian nurses charged Dr. Percy E. Mason, coroner of the county, with saying that they were incompetent. The matter is before the medical board, and it is said the physicians will uphold Dr. Mason, who has denied making the charges against the Canadian nurses.
