## LOCAL MARKET.

London, Monday, July 24. The market this morning was brisk, most of the loads sold at \$7 per ton, and to straw offered today; a number of loads are wanted by the buyers. The load of oats sold at \$1.50 per cwt; were of inferior quality, and were not wanted; prices for oats are likely to go lower.

Mr. McIntyre purchased a deckload of live hogs, paying \$1.50 per cwt for weight; there seems to be a scarcity of stable hogs, and it is likely that prices will go higher.
