TRUSSES. There should be no guesswork about Trusses. They have an important mission. They must do what they should, or they are worse than none. Many are sacrificing comfort and safety by wearing ill-fitting Trusses. Others who might be cured by a rightly-fitting Truss are using none. Those we carry are, we believe, the right ones. Can be fitted pertectly and exert a steady, even pressure. Wear well, and can't easily get out of order.
