CITY AMATEUR LEAGUE GAMES

Six more games were played in the city amateur league series last evening, and every one of them were splendid contests. Four games were played at the Westminster Rink, and the other two at the Simcoe Rink. Games were played in three leagues, and that interest is increasing as the season progresses was shown by the large crowd that turned out to witness the contests. The winners in the different games were: Dundas Centre juniors. Dundas Centre intermediates, St. George's, A MISUNDERSTANDING.

The first game at the Westminster Rink was a Presbyterian League fixture between St. George's and First Presbyterian Church. Owing to the non-arrival of the St. James team, the game between them and the King Street team, scheduled for 6 to 7 o'clock, was not played. The St. James team understood that the hour was to be 7 to 80'clock, and accordingly did not show up until then. The misunderstanding arose owing to the revised schedule of the league. The matter will be dealt with by the league

Dalton's French Drip Coffee Pot, you will never be tempted to drink ordinary boiled The Coffee berry, or bean, is protected by nature from the insect world by a tough

outer shell or husk which contains tannin and other acid, bitter principles which are poisonous to insects and certainly not wholesome to the human system. Other roasters of Coffee do not remove this bitter husk, and this is why many people find that ordinary Coffee does not agree with them. Not only that, but the usual way of roasting Coffee in cylinders over coke or gas fires, drives off the volatile essences, so essential to aroma and flavor.

alton's French Drip

The DALTON way is to throw the Coffee berries against an intensely hot flame. This roasts them in half the time and prevents the volatile essences being driven off. Then the Coffee is cooled by a special process, during which a strong suction air-

blast blows off all foreign substances. Next comes the grinding, during which another powerful airblast removes the poisonous, bitter outer shell. The Coffee contains absolutely no chicory and is packed in sealed tins, which preserve all the delightful flavor.
