FESTER NO FRIEND OF **LABORITES**

"Hamilton Labor Man" Imported by Conservatives For Election Time Only.

SPEAKS FOR WHITE

Repudiated by Hamilton T. and L. Council, Say Stevenson and Ashplant.

H. G. Fester, speaking at a Con-H. G. Fester, speaking at a Conservative rally in East London town after 32 years' service in the Anglican hall last night as a "Hamilton labor ministry. Conservatives for the occasion, according to local labor men. He has been repudiated by the trades and labor council of Hamilton, and has man," in the interests of Frank been repudiated by the trades and labor council of Hamilton, and has been held to be a representative of the Conservative party, Dr. H. A. Stevenson and H. B. Ashplant stated

At the meeting last night Mr. Fester spoke to an audience of 50 people. He appealed to the gathering to support the Rt. Hon. Arthur Meighen. and termed himself as a man who had "moved among the workers all his

London Labor party, supporters of church John Colbert, who had attended East London town hall as "observers," according to Dr. Stevenson. Mr. Fes-ter's "applauding" audience consist-

ed of six persons.
"I have heard him called a pestering sore to the Labor party." one prominent Labor official stated this Another declared that morning. Another declared that was Labor's intention to question him at last night's meeting, but when it was found that the audience was composed almost entirely of so-called the payment that him to adhecklers, they permitted him to address his half-dozen adherents.

In reference to a statement made by Mrs. Chillingsworth of 923 Colborne street, in which she said: "We have followed the mistaken reliev of Canon Gunne is vetting. have followed the mistaken policy of non-protection in England and it has brought us near ruin. You are ruining your heads into the same noose for Canada. Don't do ft.

London Labor men today questioned why Mrs. Chillingsworth had come to Canada at all.

"This little woman would have you

come to Canada at all.

"This little woman would have you suppose that she left England because of unemployment, and yet she left at a time after Stanley Baldwin was elected Conservative prime minister under a sweeping majority," a Labor man said today.

man said today.
"Notwithstanding this, she advises against non-protection, and leaves Great Britain under a Conservative regime to butt in on Canada," he continued. According to a local newspaper state-ment, Mrs. Chillingsworth was asked by Conservative party workers to take the platform at subsequent meetings after she had made her address last night.

POTATO PRICES INCREASE. Canadian Press Despatch.
Toronto, Oct. 20.—Sharp increases in the price of potatoes in Toronto have been effected by damage to the crop in a few sections of the province, caused by rot. Potatoes, locally were today quoted at \$1.85 to \$2.25.

She has two damage suffered is available.

Montreal's Great Reception to Premier King Indicates Big Liberal Victory in Quebec.

REAL BILINGUAL EVENT

Names of Meighen and Lieutenants Meet With Howls of Disapproval.

> By R. C. READE. Special to The Advertiser. By Staff Reporter.

Montreal, Oct. 20 .- The remarkable velcome which Montreal gave Mr. Mackenzie King last evening would seem to remove all doubt as to the fate of Patenaude candidates in the coming election.

The reception committee consisted of twenty thousand people packed into the forum, Montreal's latest and Rev. Canon C. R. Gunne Ends largest hockey arena. It was estimated by the Montreal Gazette, paper free from suspicion of Liberal partizanship, that 15,000 were unable to gain admission. It is said that this

ered under one roof in Canada.

It is difficult to give to those not present an adequate idea of the in-tense Liberal enthusiasm of this great gathering. It was not so much a political meeting as an explosion Canadian sentiment. The prime

of Christ church. London, a which position he is now retiring the year 1914, Mr. Gunne named honorary canon of St. Its cathedral, London.

The cathedral, London, when the premier came to the platform to the tune of O Canada, but form to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the premier came to the platform to the tune of O Canada, but the platform to the p demonium that broke out not only when the premier came to the platform to the tune of O Canada, but when he rose to speak, and after his aid that if sent to Ottawa he would do his best for London there. Canon Gunne is retiring after 32 years devoted to the service of the him as it might cheer the Canadiens nim as it might cheer the Canadiens in a hockey match. The same time the names of Mr. Manual and the names of Mr. Patenaude were greeted with equally loud booing and hissing. It was easy to understand why it is not considered good political strategy for

FINED AND **JAILED FOR**

W. A. Cline of London Township Falls Victim to Wiles of Spotters.

OBSTRUCTS OFFICERS

Month's Penalty To Be Concurrent With Term For Selling.

W. A. Cline, who resides on Scott avenue, London township, could not resist the temptation of selling liquor to a couple of "spotters" on Oct. 8, held from 303 Queen's avenue Wed-nesday afternoon. The late Mr. Mc-Gill was prominent in Masonic cir-in county court today as well as reand he paid \$200 for his rashness ceiving a month's sentence in Gov ernor Dawson's official residence. Had the fine not been paid Cline would have had to spend an addi-tional three months in jail. Cline became excited when License

Inspector Bolton and Provincial Constable Mennie arrived to search his home resterday morning, and he endea to stop Mennie when the latt ind a bottle of whiskey in a co. and He pleaded guilty to executation, a police officer and restoration and restoration of the search of the sear obstructing a police officer and re-ceived a month's sentence on this

Candidate Discusses charge, to run concurrently with the first sentence.

Howard Cluff, appearing for Cline, Howard Cluff, appearing for Cline, pointed out that his client had first refused to sell to the Ontario government spotters, but had been tempted. It wasn't as if he had gone out and solicited business, and, therefore, he asked for the minimum penalty.

Crown Attorney Ludd declared that

Crown Attorney Judd declared that Cline was an educated man and knew better than to obstruct officers in carrying out their duty. Fortunatecampaign committee. He was given a very attentive hearing and several questions relating to employment were asked.

carrying out their duty. Fortunate-ly, only a small quantity of liquor had been spilled, but he thought Cline should be prosecuted on the obstruction charge.

In sentencing the prisoner, Magistrate Zapfe stated that he was imposing the minimum fine and sentence simply because Cline had never

before been charged with selling The two spotters, present in court. The two spotters, present in court, were not asked to give evidence and left the courtroom when Cline pleaded guilty. They were the same two officers who testified against local

Harrietsville Plant Loses \$200 Worth of Goods and Tools.

Nine hundred pounds of cheese, alued at more than \$200, and a quantity of tools, were stolen last night from the cheese factory at Harrietsville by thieves, who boldly broke in the front door and helped more than \$50, were bought from our broke in the front door and helped themselves.

Mr. Kerr, a farmer living a mile south of the village, lost an overcoat and camera, which were taken from the trunk on the back of his motor Cars were passing along the road

all evening, but none was seen to stop near the cheese factory which is situated about 100 yards beyond the village limits. The cheese was packed in ten boxes

and easily handled, Mr. Frost, manager of the factory, states. The robwas not discovered until Mr. Frost arrived at the factory at 8

No clues were found by the manager and employees of the factory. However, High Constable Wharton visited the scene of the robbery this afternoon, and left half an hour later armed with information that may lead to the capture of the robbers.

London's Best Interests Are Safe With Little

66T BELIEVE that E. S. Little should get the support of London electors because of his own record and also that of the government which he supports," said James Gray, who was nominated but declined to allow his name to go to the Liberal convention which chose Mr. Little as candidate. "Mr. Little has a municipal record which all London-ers know as one of ability and action. He is well qualified for the responsible position of representing London at Ottawa, Moreover, he is four-square on the policies of the Mackenzie King government and it is daily becoming more apparent that these policies are the only ones that can be pursued if Canada is to fulfil the objects of confederation. I believe that Mr. Little would be or assistance to the King government in working through a sound progressive policy of goodwill for all Canada at Ottawa, and I know he would look after the best interests

JEWELERS HAVE ENTERED PERIOD OF

Additional Accommodation Is Necessary For Carrying On District Training Program.

TO HOUSE SIX UNITS

Alterations to the Extent of \$8,000 Planned For Old Medical School.

Forced to seek additional quarters for training, so great has been the expansion of this branch of militia service in London, it is understood that the department of national defence will lease the old medical school building, corner of York and Waterloo streets. Negotiations ar now about completed and the gov ernment secures a five-year lease he property from the faculty of the old school. At the expiration of that period, the department will have the option of purchasing the building er

renewing the lease. R. Winter, chief architect of the department of public works, Toronto branch, is in the city today inspecting the building and preparing plans for its conversion to military purposes. Certain alterations to cost from \$8,000 to \$10,000 will be necessary, and it is the intention to call for tenders for these as soon as the

lease is signed.
Six militia units will have their headquarters transferred to this building. While it has not been headquare. While it has not been building. While it has not been definitely decided, it is understood that the armories will be reserved almost wholly for infantry and cavalinest. The machine gui almost wholly for infantry and cav-alry regiments. The machine gun brigade and the signallers will be

imong the units to be transferred to the new building.
Dr. John Wishart, who is acting for the university faculty in the deal, said this morning that negotiations were in progress, but it was doubtful the lease would be signed till after
