a string to the ratepayers. Judging from past experience, it would be a saving of \$10,000 to the city. The incoming Council could not object, as they got value for the money, the pipes being a good asset.
 A LD. RENOUF would not support the resolution, as it was making the future Council responsible for the debts incurred by the present.

ALD. MCKILLICAN, who vacated the chair

n favor of the Mayor, did not agree, as the waterworks was a good source of revenue to

the city. ALD. MUNN, convinced that it was in the interest of the city, supported the proposal

THE MAYOR said that since he was in the Council, in 1985, he had some knowledge of the circumstances. He believed that the water works had been obliged to pay through the nose for certain pipes they pur-chased, and to avoid this the offer of the firm our to be accented

Chased, and to avoid this the oner of the firm ought to be accepted. ALD. HOLLAND-Fault may be found. THE MAYOR said he had a supreme con-tempt for fault-finders. A bill for \$1,000 was presented from the

Sehl-Hastie-Erskine Co. for school desks. THE MAYOR asked for an explanation. ALD. RENOUF said that the bill was for 300 desks.

THE MAYOR-And have there been 300 ALD. RENOUF explained that when the

schools were taken over there were several children without desks. The MAYOR thought that, before the

schools were taken over by the City Council, it should have been seen that materials were provided for the number of children then in ttendance.

The account passed.
