THE TORONTO WORLD: THURSDAY, FEBRUARY 17, 1881.

NEWS ABOUT THE CITY. PUBLIC SCHOOL BOARD.

Sewer pipes are being laid down on Ox. The public schoel board met last night, Mr. Bain in the chair. The finance com-Mr. Bain in the chair. The mance com-mittee's report was presented. The stand-ing committee on finance reported that they have had under consideration the question of salaries for the current year, and recom-mend that the same be as follows :-ford street. The salaries of the city school teachers have been increased all round. There was a masquerade carnival at the Hanlan rink, St. Mary's street, last night.

There is \$1556 in the savings' bank of the C. Y. M. A. of 'St. James to the credit of C. Y. M. A. of 'St. James to the credit of over 600 depositors. Brother Arnold's scheme for the estab-lishment of a novitiate and training school in this city is in a fair way of being ultimately realized. An amusing concert was given by the choir of the West end Christian temperance society to the patients in the asylum on Monday evening last.

Hanlan and Ross sail for New York to-day. It is reported that Trickett will visit Ame-rica this summer, and take part in the various regattas during the season. Senior 4th " " 475 Sunior 4th " 475 Senior 3rd 425 Junior 3rd 425 Junior 3rd 425 Junior 3rd 425 Junior 3rd 440 Senior and junior 1st book class, 375 Junior 2nd 350 Senior and junior 1st book class, 325 Previded that the rates fixed by this clause shall in o case reduce the salary heretofore paid. The sum of \$25 each to the teachers of the boys' home, girls' home and Protestant' orphans' home schools respectively over and above the amounts paid them last year. The Montreal Weekly Star contains a very flattering notice of the "wonderful affinity of Zopesa from Brazil to the diges-tive organs of the liver." Encore aeoa For simplicity, strength, and durability, and for its general adaptability for dress-making and tailoring work, the Wanzer "F." machine leads all the American makes. 4th-Miscellaneous.

Free trial, easy payments, etc. Office, 82 King street west. The magistrate has given an opinion The auditor The magistrate has given an opinion which is of some importance now that peo-the are beginning to do without fences. He thinks that a policeman is not justified in arresting a man when on his own lot, though there is no fence between it and the it are the thinks that a coliceman is not justified in arresting a man when on his own lot, though there is no fence between it and the it are the thinks that a coliceman is not justified in arresting a man when on his own lot, though there is no fence between it and the ccasional teachers, per day-male

ssengers, caretaker, etc., York street school and offices..... 5th-Caretakers The total number of pupils entered at the Dufferin, Ryerson and Wellesley schools,

The total number of pupils entered at the Upper Canada college from its first opening in 1830 is 7050, of whom 3947 belonged to Toronto and 8103 to places outside of To-ronto. From 1867 to 1880, inclusive, the belonged to Toronto. A joint committee of the city and county each. Leslieville and Borden street schools, each. Markham and Chestnut street schools, each,

A joint committee of the city and county councils met yesterday afternoon to discuss the court house question. The city mem-bers were in favor of building the new court house and city hall buildings on the same block of land. This idea was strenu-ously opposed by the county members. No definite decision was arrived at. per month. per month..... In considering the report the board changed the first item under headmasters to \$1100, and the second to \$1000. Mr. Pine's salary was placed at \$900. The in-spector's salary was placed at \$1900, the secretary's at \$1400, and the drawing teacher's at \$500. The board them adjourned

A Mr. Taylor, who lives on Denison street, was passing down Dorset street yes-terday, when a large dog sprang ont of a lane at his throat. He seized the brute by the neck, when a second dog sprang on him and fastened on his side, pulling him down. He beat them off, but he bears the marks of one dor's test him his arm, inst abare

of one dog's teeth in his arm, just above the wrist. The citizen and the stranger cannot but

The citizen and the stranger cannot but be attracted by the beauty of Mr. David Millar's store and the unlimited display of dry goods of the finest qualities that are there to be found. Mr. Millar owes the great success that has crowned his efforts considerably more to the substantial and fine goods he always keeps on hand, the low primes at which he sells them and the grean prices at which he sells them and the gen-eral satisfaction he gives the public than to anything else.

Sir Leonard Tilley said that the govern-The revival services how going on under the direction of Mr. Hammond are growing yesterday was attended by large numbers. The clergymen of the city are generily assisting in the spread of the evangelistic on a motion for information respecting the drawbacks allowed under the present tariff, elivered a speech bristling with figures. Clarkson, pastor of the Sherbourne street church where the services are going on, addressed the andience, present dwelling on the good work which was being done. The meeting this afternoon will it is said be an interesting one. Thousands of our citizens who at first tried the Turkish Baths reluctantly now regard them as a necessity, while many of our leading ladies resort to them for their bene-ficial influence both in health and disease. For the relief of rheumatic pains and as a preventive of theumatic pains and as a preventive of theumatic pains and as a preventive of theumatic pains and as a preventive of theumatis pains and as a preventive of th
