Notice of Sale.

Merchants, and to all others whom it may concern:—

NOTICE is hereby given that by virtue of a power of sale contained in an indenture of Mortgage, bearing date the fitteenth day of June, one thousand eight hundred and eighty, made between the said James K. Pinder and Mary Ann, his wife, of the first part, and Lewis J. Alman and Thomas Maciellan, both of the City of St. John. in the said Previews. Esquires, Executors and Trustees of the last Will and Testament of Robert Robertson, late of the town of Portland, in the said City and County of Saint John, Esquire, deceased, of the second part, and recorded in the office of the Registrar of Deeds for the said County of York, by the No. 30ct, in Book N 3, pages 666 to 671, on the 22nd June, A. D., 180, there will for the purpose of satisfying the moneys secured by the said Mortgage, (default having been made in the payment thereof), be sold at Public Auction on FELDAY, the fifth day of October mext, at eleven of the clock in the forenoon, in front of the County Court House, in the said City of Fredericton, the lands and premises in the said Indenture of Mortgage, described as follows:—
"All that certain pleee or parcel of land situate, lying and being in the said Parish of Southampton, on which the said James K. Pinder now resides, described as follows:—Commencing on the easterly side of the main Nackawickac stream, where the extension of the southerly line of lot Number three (3), South Range, Temperance Vale Settlement, at present in the occupation of one John Hammond, would strike the said Nackawickac stream and following said McCallum Brook, so called, thence crossing the said side of the said stream, thence down the said Nackawickac stream and following said McCallum Brook, so called, thence crossing the said side of the said stream; the country line of lot Number three (3) aforesaid, until it reaches a point on the extension north fifty (50) degrees east of Cilif's westerly line, thence north fifty (50) degrees seat on south extension this than the said southe

casterly side of the said Nackawickac stream, beginning at the easterly end of the bridge opposite the mill on the land above described, and running back south easterly ten [10] rods; thence southwesterly nen full rods; thence morthwesterly ten [10] rods to the stream, and thence up stream sixteen [16] rods; thence morthwesterly ten [10] rods to the stream, and thence up stream sixteen [16] rods or to the place of beginning; the two tracts of land abovo described being parts of the lands conveyed to one Richard E, Carvill by Robert Hay and wile by Deed dated 4th January, A, D. 1870, and by the said Robert Hay conveyed to the said James K. Pinder by Deed dated 10th May, A, D. 1871, logether with the saw mill, known as 'The Pinder Mill,' and other the dwelling houses and buildings thereon standing and being aud with the er-ctions and improvements thereon, and the rights, members, privings and appurtenances thereunto belong-

Vileges and appurtenances thereunto belonging."

There will also be sold at Public Auction at the time and place aforesaid, the property mortgaged by a certain Bill of Sale, bearing date the filteenth day of June, A. D. 1889, and made between said James K. Pinder of the one part, and the sald Lewis'J. Almon and Thomas Maclellan, as Executors and Trustees as aforesaid of the other part, and filed in the Office of the said Registrar of Deeds for the said County of Yors, by the No. 1052, on the 22nd June, A. D. 1889, default having been made in payment of the moneys thereby secured, the said property being in the said Bill of Sale described as "All the Machines and Machinery of every nature and description of what kind soever; belts, saw mill gear, tools, implements and cuains belonging to and being in, upon or about the water power saw mill known as 'The Pluder Mill', situate in the said Parish of Southampton in the said County of York,"

Dated the 23rd day of Angust. A. D. 1888.

Dated the 23rd day of August, A. D. 1868. LEWIS J. ALMON, THOMAS MACLELLAN. by LEWIS J. ALMON, Executors and Trustees of the last Will and Pestament of the late Robert Robertson. Mortgagees.

Why are you a Farmer?

Did you ever stop and ask yourself the question. "Why am I a farmer?" If you did not, suppose you get off in some secluded spot the first time you have an hour or two to spare and phonso. He is kept for stock pur- seriously put the question to yourself, and then as seriously try to answer it. Put your answers down in writing, so that you can look over and criticize them afterward, for you may give some reason at first thought that would seem rather ridiculous upon reflection. There are many reasons, perhaps, why you are a farmer, and good ones two; but if you have never thought over this matter you might find some inspiration in knowing just why you have adopted the calling that is to employ every moment of than of a race horse, yet it is important to know how to distinguish the best, strongest, most enduring, those the success of those who enter upon and those that are slow. The draught what are supposed to be "learned roving" are run together and twist-borse derives his power from several professions" depend upon the preparation of those who enter them. If but four out of one hundred men energy of its muscular action, and the succeed who enter the mercantile world, is it any wonder that there The exterior characteristics of a good are many failures among tillers of soil, especially when so many are not able to give an intelligent reason for having adopted farm life as a calling? Do you know just why you are a quarters a little depressed, thick farmer? If you don't you should either find out or quit the business.-

> Those who send milk to the city cannot be too careful about the cleanliness of their stock and stable.

National Stockman.

This is going to be one of the worst wheat and corn years that Europe has

ADVICE TO MOTHERS .- Are you disturbed firm tread, are excellent for new, stickey ground, and on bad, uneven roads. A horse for drawing loads, to be well formed, ought to be high in front, having high and projecting lable. It will relieve the poor little sufferer immediately. Danged upon the sufferer immediately. withers, large chest, front legs strong and well spread apart, back and loins straight, hindquarters a little depressed, muscular, short in the flank, large sinews. With such a shape a draught horse is relief and ship to resist all the Withers? Seathly 25 or the whole system. "Mrs. diseases of the throat and lungs, is Bickle's body with your offensive breath, cure knocks from uneven roads, and weight teething is pleasant to the taste and is the
