P ONE THING MR. W. H. BENNETT, THE CONSERVATIVE STANDARD BEARER IN EAST SIMCOE, IS SURE—HE SUFFERED FROM CATARRHAL TROUBLE AND FOUND SPEEDY AND PIXED RELIEF IN DR. AG-NEW'S CATARRHAL POWDER.

NEW'S CATARRHAL POWDER.

In the coming by-election it will not be settled until the votes are counted, whether Mr. W. H. Bennett, who has represented the constituency with ability for years, will again be the successful candidate. One thing Mr. Bennett is perfectly certain of, whatever turn the election may take: When attending to his duties in Ottawa two sessions ago he was taken down with catarrhal trouble in the head. He used Dr. Agnew's Catarrhal Powder and over his own signature says that it worked like a charm, and quickly removed the trouble and made him fitted for his parliamentary duties. Sold by S. N. Weare.

Denver, Colorado, father, to the bedside of his dying son a few weeks ago, will be historic in railroad circles, and would not be an unfit subject for a poem. It was a strange combination of paternal affection and mecord-breaking trip of 1,025 miles in 1,069 fore and may never be again; yet rapidly as steam was far outstripped by that of the lightning which conveyed the father's mes-sages from every station to the sick chamber in Denver. The incident has various phases. Railroad officials see in it a remarkable dement of the road which would enable such ment of the road which would enable such evtraordinary speed to be maintained for more than a thousand miles, but the great-est number of persons recognize it as a fine illustration of parental love and will feel a sense of personal sorrow that the long jour-ney was made in vain.
