Rysdyk, STOCK FARM.

THE Trotting Stallion RYSDYK

By Hambletonian, out of Lady Duke, by Lexington, will make the season of 1876, at the proprietor's stables.

\$100 TO INSURE,

\$25 to be paid at time of service.

Rysdyk, the "Stud King" of the Stock Farm, is the best bred trotting stallion in America, embracing the best possible cross of Rysdyk's Hambletonian, the highest type of the trotting horse with Lexington, the perfection of the thoroughbred; the unequalled staying qualities of the latter added to the purely galloped trotting action of the former.

Mares kept at moderate charge and well cared for. All accidents and escapes at owner's risk. Communications by letter or telegraph cheerfully attended to by addressing the proprietor or superintendent, H. W. Brown. Mares not proving in foal can be returned next season free of charge.

Chestnut Hill,

By Rysdyk, out of the Miller mare, by Bully King, son of Geo. M. Patchen, g d by Duroc, will make the season of 1876 at the same stable. The services of this high bred trotting sire will be held at

\$75 TO INSURE,

\$20 to be paid at time of service.

Terms in other respects the same as those of his sire, Rysdyk.

Wm. B. Smith,

By Thomas Jefferson, son of Toronto Chief, dam imp. Heatherbloom, by Tally Ho, will make the season of 1876 at the same stable.

\$50 TO INSURE,

\$15 to be paid at time of service.

For durability, stamina, and gameness, this stallion has no superior. His famous sire, Thomas Jefferson, the Black Whirlwind of the East, is one of the fastest trotting stallions in America, having secured for himself in public trial a record of 2:22, winning the stallion purse at the great Buffalo meeting of 1874.

259-nm

North America,

By Bombardier, son of imp. Glencoe; dam the Harrison mare, by Defiance, will make the season of 1876 at the same stable.

STORMONT STOCK FARM CORNWALL ONT.

RINGWOOD,

Got by Edward Everett; 1st dam by Long Island Black Hawk; 2nd dam by American Star, will stand during the season of 1876, at the Stormont Stock Farm, one mile east of the Town of Cornwall.

Ringwood is, in color, golden chestnut; stands 15 1/2 hands high, and weighs 1,170 lbs. He is a horse of grand presence, of more style, head and tail, than any horse in the country. With his perfect, regular, machine-like action, his wonderful speed, power and substance, and his rare combination, in the closest and most direct lines, of the blood of the three greatest trotting families on the turf, the ANDALLS, BASHAWS, and STANS, he is the most desirable horse to breed from in Canada, and not surpassed by any trotting stallion in America. From the appearance of his colts and fillies of 1874 and 1875 (his first get were dropped in 1874), they have his fine size, form and color, it is fair to infer that he will transmit to his stock his own great qualities: the great qualities of style, speed and game that distinguish his Royal ancestry, and place them on the roll of fame, high above all other families of trotters.

Directly descended through his sire, Edward Everett, by Rysdyk's Hambletonian (by Abdallah by Mambrino), from imp. Massachusetts; through his dam, by Long Island Black Hawk (by Andrew Jackson, by Young Bashaw), from imp. Arabian Grand Bashaw; and through his grand dam, by Seely's American Star (by American Star by Duroc), from imp. Duroc, he is more closely and immediately allied to the great trotting wonders of America, with the exception of Walkhill Chief, Ajax, and Artemus, full brothers, and of Socrates and Norwood, full brothers, than any other horse now at the stud, that we know of, either in Canada or in the United States. Add to this the Royal blood of imported Margrave, deeply inbred to the great Haxon, derived through the dam of his sire, and you have a combination of the lightest and purest types that may be equalled possibly, but cannot be excelled by that of any trotting sire in the world. AN. BLOOD WILL TELL!!

TERMS—\$30 the season, payable 1st Sept. next, or if preferred, \$50 to insure. Season will end 31st July.

All mares owned out of the Counties of Stormont, Dundas and Glengarry, must be paid for at the time of service or before removal.

Mares will be pastured or stabled carefully, and fed grain, as the owners may desire, at the most reasonable rates. Every care will be taken of mares, but all accidents and escapes must be at the risk of their owners.

Mares from a distance will be met at the steamer or cars, and taken to and from the farm, free of expense, by a careful man. Send for tabulated pedigrees.

Stormont Stock Farm,
Cornwall, O. (ario).

This route to be continued for the season. Terms—Insurance, \$30; season, \$25; single leap, \$20. Single leap, cash at time of service; season, to be paid last round; insurance, 1st Feb., 1877. Good pasturage and stabling furnished at cheap rates. All accidents at owner's risk.

ERIN CHIEF is a golden chestnut, 15:3, and for style of action and appearance is faultless; as a stock-getter, he is a great success, as can be proved by his many and valuable colts. He was sired by Howe's Royal George, he by Field's Royal George of Buffalo, he by old Royal George, he by Warrior, he by Tippecanoe, he by Ogden's Messenger, he by old imported Messenger. His dam, Erin Queen, by imported Charon, g d by Sir Henry, g g dam by imported Blacklock (formerly Fidget), he by Phantom, he by old Blacklock.
