The Sabbath School Lessons.

Aug. 1. --John 12: 1-16, Memory vs. 12-16,
Jesus Honored.

GOLDEN TEXT. JOHN 12, 13, CATHERSON, 88.

The lesson has three parts.

Verses 1-9 tell of the Supper at Bethany, with the family that Jesus loved, and the anointing of his feet with ointment. No ointment was too costly for Mary to use. He had called her brother from the grave.

Verses 12-16 tell of another honor done to Him by the crowd that came forth from Jerusalem to meet Him. Perhaps they knew of Christ's raising Lazarus.

Between these two honors, verses 10, 11, there is the dark, cruel, scheme of the priests, to kill Lazarus so that people might not honor Jesus.
