## LOCAL PARISH NOTES.

On Oct. 17th St. George's Church held its  
 annual Harvest Festival. The church was elabor-  
 ately decorated with fruit, grain, vegetables and  
 plants for the occasion. The service was taken by  
 the rector, the Rev. J. M. Snowdon, and an  
 appropriate sermon was preached by the Rev. W.  
 M. Loucks, of Christ Church. The singing of the  
 choir was particularly good.

On the afternoon of Sunday, October 28th, the  
 local militia, comprising the Ottawa Field Battery,

the Princess Louise Dragoon Guards, the Governor  
 General's Foot Guards and the 43rd Battalion of  
 Rifles paraded to Christ Church where evensong  
 was said and an eloquent and impressive sermon  
 was preached by the Rev. J. M. Snowdon, of St.  
 George's. One of the features of the service was  
 the hearty singing of the men, especially in the  
 National Anthem, which rolled and reverberated  
 through the church like a peal of thunder. The  
 earnest attention and reverence of the men was  
 also marked. The parade was one of the best that  
 has taken place of recent years.

St. John's Hall was well filled two evenings in  
 October, to hear Miss Sarah Lord Bailey, who is  
 well called the Queen of Elocutionists. Her  
 rendering of the varied selections was extremely  
 effective.

The "Talent" scheme has been well received  
 by the congregation of St. John's Church and a  
 good result is expected when the returns are made,  
 about Easter next.

## WOMAN'S AUXILIARY.

The regular monthly meeting of the Woman's  
 Auxiliary to Domestic and Foreign Missions on  
 October 30th was very well attended. Mrs. J. R.  
 Armstrong was appointed Corresponding Secretary  
 to fill the vacancy caused by Miss Whitcher's leav-  
 ing the city. Six new members were reported from  
 Christ Church Parish. The President reported  
 the formation of a new Branch of the Auxiliary at  
 Archville, or Ottawa East, by Mrs. Bliss.

Interesting papers on the subjects of the month  
 were read by Miss Thompson and Miss Baker.

All were pleased to see again the familiar face of  
 Mrs. Forest, one of the most earnest workers of the  
 Auxiliary, who has been prevented by illness from  
 attending the meetings for some months.

Subjects for reading and prayer for the next  
 meeting--"Algoma" and "South America." The  
 former subject will be taken up by Mrs. McNab,  
 the latter by Mrs. Tilton.

## G. F. S. NOTES.

So far our ten minutes' lectures have been a  
 great addition to our monthly meetings. If "How  
 to Make Tea and Coffee" was eminently instructive  
 and practical, "Ventilation" this month soared  
 higher, and taught us something of the laws of  
 nature and the importance of breathing pure air.  
 During the winter we hope to have similar short  
 instructions on "Emergencies," "Home Nursing,"  
 "Plain Cooking," "Sick Cooking," "Hygiene,"
