The Eighth Session of Queen's College will begin on the First Wednesday of October (4th October), 1848, at which date all Intrants and regular Students in the Faculty of Arts are requested to be present.

The Divinity Classes will be opened on the first Wednesday in November.

Candidates for Matriculation, as regular Students, will undergo an examination before the College Senate in the first three books of the Æneid of Virgil, the first three books of Cæsar's Commentaries. Mair's Introduction, the Greek Grammar, on Vulgar and Decimal Fractions, and the first book of Euclid.

The only charges are £1, to cover incidental expenses, and £2 for each class per session, to be paid on entrance.

Accommodation will be provided for Students as Boarders, the expense to each Boarder averaging about six dollars per month. Students intending to avail themselves of this accommodation, will require to bring their own bedding. The Boarding Establishment will be under the superintendence of the Professors.

All Students must produce a Certificate of moral and religious character from the Ministers of the Congregations to which they respectively belong.

A number of Scholarships will be awarded at or near the commencement of the Session. The Scholarships for Students of the first year will be conferred on those who display the greatest proficiency in the Subjects of Examination for matriculation. For Students of previous years the Subjects of Examination for scholarships will be the studies of former Sessions.
