THE SASKATCHEWAN Buffalo Robes and Coats.

These goods were exhibited at the World's
 Fair, where they received a Medal and Diploma
 of honorable mention. Patented in Canada
 and the United States, where manufactories
 have been erected in Galt and Buffalo. The
 Robes are as strong as any leather; handsome,
 soft and pliable; impervious to wind, water
 and moths; easily dried after being wet, and
 are without the effluvia arising from the old
 Buffalo Robes. Our Overcoats are the same,
 and are made either in regular Buffalo or Black
 Astrachan.
