

We Invite

Your particular attention to the following lines

Windsor Mills Special

Our stock of this paper is again complete. . . . We regret that we have not been able to keep up our stock this Summer, but the demand for this line increased so fast that we were quite unable to meet it. . . .

Springvale

This paper is constantly being improved in quality and appearance.

Regular sizes always in stock—laid or wove.

Special sizes made to order, on short notice. . . .

FLAT PAPERS

Humber Mills

This is a new line of low-priced Writing, that we are just beginning to turn out. It is as good as most of the

imported papers for which two cents more per lb is asked. . . .

The best value on the market for billheads, circulars, blank forms, etc., etc.
