THE JEOPARDY OF LIFE IS
IMMENSELY INCREASED

without such a simple precaution as

ENO'S "FRUIT SALT"

It assists the functions of the STOMACH, LIVER,
BOWELS AND KIDNEYS, by natural means.

It prevents any over-acid state of the blood, and should be kept in every bedroom and traveller's bag in readiness for any emergency. It always does good—never any harm. It forms a delightful, invigorating, cooling, soothing and health-giving beverage. It acts as simply, yet just as powerfully, on the animal system as sunshine does on the vegetable world. It is impossible to overstate its great value in health or disease. Its effect on any disordered or feverish condition is simply marvellous.

It is, in fact, Nature's own remedy, and an unsurpassed one.

It is not too much to say that its merits have been published, tested and approved literally from pole to pole, and that its cosmopolitan popularity to-day presents one of the most signal illustrations of commercial enterprise to be found in our trading records.—*European Mail.*

CAUTION.—Examine the Bottle and Capsule, and see that they are marked ENO'S "FRUIT SALT." Otherwise you have been imposed upon by a WORTHLESS IMITATION.

Prepared only by J. C. ENO, Ltd., at the "FRUIT SALT" WORKS, LONDON, S. E., by J. C. ENO'S Patent.

"Gentlemen, I give you,
The King!"

When Queen Victoria was crowned, loyal Canadians drank the health of their fair young sovereign in Carling's Ale. There's no purer, better nor honester beverage in which to pledge his Majesty Edward VII.
