

# Life!

"Love is the essence of kindness." The more good you can do for others, if done with a noble purpose, the more you will want to do. If you have the welfare of your loved ones at heart you should not rest contented until you have made sure provision for their FUTURE by insuring in a sound Company such as the North American Life.

The attractive plans offered by this Company, combined with its unexcelled financial position, make it a desirable Company in which to insure.

Something of advantage to those contemplating insurance furnished on application to the Head Office or any of its agents.
