

IMPORTANT ANNOUNCEMENT TO BOOK BUYERS.

Bohn's Shilling Library of Standard Works.

FORTY-ONE years ago MR. BOHN commenced that series of books which, in the opinion of Emerson, "have done for literature what railroads have done for internal intercourse." The continued favor in which the Libraries are still held is attested by the fact that they have been increased year by year, until they now number 700 volumes, and have had a sale from the commencement of about 4,000,000 volumes.

The proprietors, however, feel that a time has come at which they may make the more important works of standard literature accessible to a still larger section of the public, and with this object they purpose publishing, under the above title, a series of smaller and cheaper volumes, each complete as far as it goes, comprising select works of English and foreign literature.

The text will in all cases be printed without abridgment, and where Introductions, Biographical Notices, and Notes are likely to be of use to the student, they will be given. The volumes, well printed, and on good paper, are issued at 35c. in paper covers, and 50c. in cloth.
