The parish paper of Christchurch, New Haven, Conn., in answer to the question: "How many sittings are there to be in the new church?" very aptly replies: "It is a matter to which we have not given particular attention, but we are able to say that ample room is provided for 850 kneeling. Our aim has been to give every worshipper an opportunity to bend his knees in prayer rather than his spine."

FOR OVER FIFTY YEARS.

MRS. WINSLOW'S SOOTHING SYRUP has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Twenty-five cents a bottle.

Church courtesy, is a matter worthy of all Church-people's attention. Nothing disarms prejudice more than good manners. "I will go to that church again," says the stranger who has been courteously entertained; "they are a friendly people. One offered me a seat, and another a book, and even their little children looked up and smiled, as if they were glad to see me."
