HEALTHY WEAKNESS RESTORED

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing.

Extract of a Letter from Mr. Smith of No. 5, Little Thomas Street, Gibs & S. Vert, Lambeth, dated Dec. 12, 1850.

To Professor HOLLOWAY.—

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could be done for me, as I had been to many medical men, some of whom after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver making my case so complicated that nothing could be done for me.

[Signed]

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is our wish to testify with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidence of its success, in which they can judge for themselves. We sincerely please ourselves to make an wide assortment of false state means of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases of both adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary disorders.

PARKER CLEVELAND, M.D.

BROOKFIELD, Me., Feb. 5, 1847.

Dr. J. C. Ayer: I have been cured of the worst cough I ever had in my life, by your "CHERRY PECTORAL," and never fall, when I have an opportunity, of recommending it to others.

Yours respectfully, S. D. MERRON.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effects of the medicine was unmistakably distinct:—

UNITED STATES HOTEL, SARATOGA SPRING, July 5, 1849.

Dr. J. C. Ayer.—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of a cold, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "CHERRY PECTORAL," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my youngest friend, Mr. Thomas, of Ferrisburgh, Vermont, who had been long suffering from his parental duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you, and am, sir, yours respectfully,

J. F. CALHOUN, of N. Carolina.

Charleston, Pa., Aug. 28, 1846.

J. C. Ayer.—Sir: I was taken with a terrible cough brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became greatly emaciated, my eyes were swollen and glassy, and my breath very short. Indeed, I was unable to talk, and in such distress for breath, that but for a sign of my recovery, I could not have been sustained. While in this situation, a friend of mine (the Rev. John Lathrop, of the Methodist Church) brought me a bottle of your Cherry Pectoral, which I tried with the greatest effect, and in a few days I was enabled to get up. My cough ceased, and my strength returned. Now I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude, yours, JAMES GODFREY.
