Of the deposit in Central Gold Reserves \$19,680,000 is in gold coin; the balance is in Dominion Notes.

of the Canadian public rose some 45 millions to a new high record of 1,592 millions. These at least are the figures shown in the summary telegraphed from Ottawa yesterday.

"Preparations for year-end payments are possibly one explanation for the remarkable gain. Normally there is a sharp expansion in this item of banking accounts in the final month of the year as cash balances are increased to provide against payments of all kinds falling due at the beginning of the new year. The increase, however, is unusually large, and particularly so in view of the Victory Loan payment."

The following table shows a record of deposits for the past four years:—

Dec.	On demand.	After notice.	Total.
1913	\$381,375,509	\$624,692,326	\$1,006,067,835
1914	349,909,953	662,830,037	1,012,739,990
1915	423,690,384	720,990,267	1,144,680,651
1916	458,208,417	845,006,717	1,303,215,134
1917	569,441,871	995,978,013	1,565,419,884

While savings deposits decreased in December, the increase of \$31,000,000 in demand deposits maintained a high sum for total deposits which, at the end of 1917, stood at \$1,565,419,884. This is the highest December total on record.

The following table shows the course of current and call loans in Canada during the past fourteen months:—
