Estate Administration Is a Business in Itself

When you are considering with yourself the naming of an individual or a Trust Company as the Executor of your Will and Trustee of your Estate, do not forget this vital distinction:

With most individuals, trusteeship is but a *side issue* for which they may not have time or special qualification.

Administering Wills and managing Estates is *the business* of a Trust Company, for which it has been specially organized and is fully equipped.

To secure this wide and varied experience and businesslike methods, it costs but a moderate fee—small in comparison with the results your Estate obtains.
