The above cut represents our **PIE AND CAKE COLLARS**, a fancy substitute for the old style of crocheted pudding dish collars. They require no laundrying and are always ready for use. As they can be used several times, they are less expensive than the old style and make a very much prettier effect on the table.

To each customer we give away with these collars a window show case to display them to the public. We have them in plain assorted colors and also striped. Send us a trial order for an assortment of one gross.

THE list of Canadian cities is lengthening. Windsor the other day, and now Chatham, which celebrated the event by a military display, as well as by games and festivities, and a speech from N. F. Davin, the eloquent, on Dominion Day. It desires to be known as the Maple City. Having been founded in 1795 as a village, by order of Governor Simcoe, it resents being called a young place. But no offence will be taken if it be pronounced a live place, as it unquestionably is. The *Planet* celebrates the occasion by a creditable special issue.
